Mrs. Garland B. King compiled the following records for James and George BUNCH of Knox Co., Ky. 1800 and 1810. They are believed to have been brothers--sons of Samuel⁴Bunch, "the Quaker", of Louisa Co., Va.--the only Bunch of record who had sons "James" and "George" who fit the Census records of the two men of the same names in Knox Co., Ky:

45. JAMES⁵BUNCH (Samuel⁴, John³Jr., John², John¹), b. Hanover or Louisa Co., Va. ca 1750? d. Knox Co., Ky. prob. by 1820; m., wife's name not known. GEORGE BUNCH⁵ of Knox County, Kentucky, 1800 & 1810

This George Bunch is believed to be the son of Samuel Bunch, the Quaker, of Louisa Co., Va., and a brother to the James Bunch who was also living in Knox Co., Ky in 1800 and 1810. No other James and George Bunch, who might be brothers, have been found to fit the census records of these two, except the two sons of Samuel⁴ of Louisa Co. George Bunch was born (c1763/5²) married 18 July 1788, in Louisa Co, Va, to Sally Sargent, dau. of William Sargent. George was probably deceased by 1820. Sarah Bunch was granted 50 acres of land in Clay & Knox Cos, Ky, 14 Aug. 1821. Nothing has been found to indicate which children belonged to James and which to George, but on the basis of what is NOW known, the family of George was possibly as follows:

1. Marshall Bunch, b. c1790, living Daviess Co., Mo. 1860 (census) in household of Garrett Bunch, son of George (#4 below) Marshall may have had a son named Larkin, who lived in the West.
2. Garrett Bunch, b. c1794. In War of 1812; Pvt, Capt. Thos. McJilton's Co., 11 Regt, Ky Mtd Vol Mil, 1813. The name "Garrett" occurs frequently in the descendants of George & James (#4 & #5 below). Nothing further is known of this Garrett.
3. Samuel Bunch, b. c1797; m. 20 Nov 1818; Clay Co., Ky., Pheby Parke or Parker. Settled in what is now Osage Co., Mo; died there 1860/70; had these known children:^a

5. James Bunch, (c1803-c1853), b. Ky; died Stokes Mound Twp., Carroll Co., Mo. (A "tradition" in Carroll Co, says that Stokes Mound was named for Stokeley Bunch). James was twice married, both times in Laurel Co., Ky, 1st, to Susannah Johnson, 22 May 1826, 2nd, 19 Dec. 1827, to Hannah Maupin (c1811-c1851). Came to Mo. c1830. Set up the first "horse mill" in Grundy Co, Mo, in 1836. Later lived in Livingston and Carroll Cos. James had the following children, Lorinda, the eldest, being by his 1st marriage^f:

Mrs. Laura Bonnett was aged in 1960. Her daughter, Myrtle, works in Jefferson City, Mo (or did then) for Missouri Resources & Development Comm., Jefferson Bldg. Jefferson City, Mo. They are desc from Samuel⁶ (son of George 5) through Samuel Jr. b. 1829, who m. 2nd Parthenia Bishop and both this Samuel (b. 1829) and Nathaniel (b. 1825) were in the Civil War and I have copies of their pension application papers.

Then there are 3 other possibilities of children for James - but if they are his he sure had a large family:

Solomon Bunch, born c1783, Va.; mar. Nancy.

Detion Bunch, born 1784-1794; mar. Isham Boling, 6 Sept. 1804, Madison Co., Ky.

Betsy Bunch, born 1784-1794; mar. Boling Baker, 20 Sept. 1804, Madison Co., Ky.

Came to Charitan Co., Mo., by 1830. Enumerated next to Stokeley Bunch.

Solomon is too old to be child of George & Sarah - however, the girls could ~~fit~~ fit in with children of George perhaps.

(I could never find out any more about this - no record in Clay Co - they say).

The name "Stokeley" does not appear in ~~###~~ my branch - but the name "Garrett" does. And ~~q~~ "Garrett" does not appear among descendants of those I have listed under James. And, since the older George, b. 1816, had brother ~~and~~ named Stokeley, put all Stokeleys as descendants of James.

1820 census Clay County, Kentucky

BUNCH, George	1 male 0-10	1 female 0-10

		1 female 26-45
BUNCH, Samuel	1 male 0-10	1 female 16-26

I have never been able to figure out the family of George, above. I think it is the George who married Nancy Maupin in 1819, with 2 small children by his previous marriage to Martha Morris, or could be one child by each.

Dear Mrs. King:

I am enclosing a copy of the will of William Sargeant which names your ancestor, Sally Bunch, and my ancestor, Patsy Fulcher, as daughters.

My mother worked on this line some years ago but was unable to establish proof of his first wife. His second wife was Anne Sneed, whom he married in 1813. There are several deeds in Louisa County which name William Sargeant and wife Laurana. The marriage contract of Jesse Fulcher and Patsy Sargeant, Junr. names her mother as Patsey Sargeant. This was in 1809. Jesse Fulcher's will, probated in Robertson County in 1836 names his wife, Martha and a daughter, Lurana. As Patsy is a nickname for Martha, I would think that William Sargeant's wife was named Martha Laurana. One daughter was named Martha (Patsy) for her mother, and she, Patsy Fulcher, named her daughter Laurana for her mother.

The name of William Sargent can be found in List of Revolutionary Soldiers of Virginia by H.J. Eckenrode.

I will be interested in any information which you have on this family.

Sincerely yours,

Alan M. Durrett

Oxnard, Calif. (2-11-69 written in with pencil)

Private funeral services will be held for Boyd Bunch, 77, who wrote "Frankie and Johnnie" while playing piano for big name dance bands.

Bunch died Saturday night in an Oxnard convalescent home after a long illness. He had lived in Ventura, Calif., eight years.

Bunch, a native of Chamois, Mo., was pianist and arranger for Vincent Lopez and Guy Lombardo, bandleaders.

SAMUEL BUNCH (c1797-1860/70) of Osage Co., Mo.

PROBABLY BUT NOT PROVEN

SAMUEL BUNCH, son of George and Sally (Sargent) Bunch, was born about 1797 in Kentucky; died between 1860 & 1870 (census) in Osage Co., Mo., where he had settled before 1830 (census). He was married in Clay County, Kentucky, on 20 Nov 1818, to Pheby Parke or Parker. George Bunch was the bondsman. (Geneva King has photo copy of the old marriage record on file in Clay County, Ky). A granddaughter of Samuel's brother, George Bunch, was able to recall hearing this: "Grandfather George Bunch had two brothers, Jim, buried over by Stokes Mound, and Sam Bunch, his older brother. When they got to St. Louis (from Ky), him (Sam) and his family and also his mother, went in a different direction and they never heard of them again". Samuel Bunch settled in what was then Callaway Co, Mo. In 1840 he was in what was then Gasconade County, Mo., but in 1841 became Osage County, Mo.; and remained there the rest of his life. His wife was living in 1840 (census) but was apparently deceased by 1850 (census). Samuel Bunch was a "chairmaker" by trade.

From census records 1830-1880, some Osage Co, Mo., marriage records, and from Mrs. Laura Bonnot, their children may be as follows:

1. R. Bunch?, born 1819 or 1820, ^{prob} Clay County, Ky. According to census records there was a son this age. Perhaps it was the "R. Bunch" who was listed in the 1840 census of Gasconade County, Mo. (1 Son under 5. ^{1829 Ohio}

Nathaniel Bunch was a farmer; lived in Linn Twp., Osage Co., Mo. He served in the Civil War; enlisting at Bonnots Mill, Osage Co., Mo., on 22 June, 1861, & served as Pvt in Co. "F" Osage County Battallion, Missouri Home Guards. He was honorably discharged at Bonnots Bill on 5 Oct 1861, having served for a period of 3 months and 13 days. EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

- a. United States (not State) pensions claimed on the basis of service before World War I;
- b. United States (not State) bounty lands claimed on the basis of service before 1856;
- c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

Dear Mrs. King,

Your letter of Sept. 18, 1961 addressed to Mrs. Laura M. Bonnot of Bonnots Mill, Missouri has come into my hands and I hasten to write you of our line of Bunches which may tie in with some of yours. At least after studying the charts you sent Mrs. Bonnot, I feel very sure there must be some connection. I have been working on our line and the line of my grandfather's brother for several years bringing records down to the present generation. Still not complete on all of them but making progress.

Mrs. Bonnot's daughter, Myrtle, kindly loaned me the letters and information you sent them and I am intrigued by similar names of some which indicated to me a strong possibility of relationships. I have not checked Census Records yet but plan to do so after Christmas when am not so rushed with demands from our family.

You mentioned in that letter a Nathaniel Bunch listed in the 1850 Census of Chariton County, MO. I had been looking for this family since the youngest child, a daughter named Flora, married my grandfather's brother. Nathaniel Bunch (this one) married Esther McCollum and they had the following children: (list supplied by a granddaughter of Flora) Sally, Betsy, Celia, Isabel, George, Ellen, Melissa, and Flora. The similarity of names you listed from 1850 Census is striking. This lists children as Nancy, Sarah, Leila, Elizabeth, Milly, Mary and George. Nathaniel and his wife and Isabel, George, Ellen and Melissa had all emigrated to the state of Oregon in early 1880's and Flora and her husband, James Garret Bunch (my grandfather's brother) left Osage County, Mo where they were living with their two or three small daughters and went to Oregon also arriving in April of 1882.

I am a descendant of William Bunch (1858-1926) and his father was George Bunch (1833-1877). George had a brother, Nathaniel (1824-1881) and another brother, Samuel (1828-?) and a sister, Amanda who married Jesse Agee 15 Feb. 1859. This we are sure of. There may have been others we have not located yet. If am in touch with a granddaughter of Nathaniel and Myrtle Bonnot listed above is of the Samuel Bunch descendants in this area.

Your chart on George Bunch (1801-1874) lists one son, Garrett Bunch born in Kent. in 1827. Since Garrett is an unusual name, I feel there might be some connection between the families of this line and the ~~M~~James Garret Bunch I listed above.

If you have done further research or wish more information after I check Census Records here, perhaps you can let me know. Maybe you have been fortunate enough already to discover the relationships of these families. At any rate, I would be pleased to hear from you.

Sincerely,

Claudia Baker

Dear Geneva,

12-13-82

Received your packet of materials today and was so pleased to get all the information. You have saved me a lot of time in looking up Census Records. Now I shall spend whatever time I can checking other county records here. I have already checked marriage records. Will be writing you after the holidays (maybe not until end of January!) with information to tie in to what you have on the George & Nathaniel Bunch lines. Also have some questions about some of the other things. Also appreciate the tip about the the publication by Alice Crandall Park with Bunch genealogy which may be found in the State Library at Columbia, I get over there very infrequently but since I know it is there, will try to look it up. Have a good Holiday..you and yours. Since I don't know your family situation, will just wish all you have there and elsewhere a good Christmas.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

- a. United States (not State) pensions claimed on the basis of service before World War I;
- b. United States (not State) bounty lands claimed on the basis of service before 1856;
- c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

February 4, 1983

Dear Geneva,

In reply to your letter of December 8, I can add a few things but have not done the research I still plan to do on probate records here. My mother who had lived here with us for $5\frac{1}{2}$ years died on Christmas Eve so the past month has been a sad and busy time. This past week I have tried to catch up on a study-at-home course in Accounting which I enrolled in last fall. Have until September to complete but it does take time so if you find I am not very fast on getting some of the genealogical records checked, perhaps you can understand.

Our family consists now of my husband and I and one unmarried son (25) living here in our household. Have a married daughter and married son living some distance from here and another unmarried son who is in last year of school and who plans to marry this summer. Where they will settle we don't know but likely in Missouri area somewhere. My father is 91, lives alone near us, and cares for his own daily needs pretty well. He can still drive his car so that helps us. We have him for meals frequently take food sometimes and clean the house. That's us!

In reply to some questions in your letter (I assume you kept a copy of it), the Nathaniel Bunch who married Esther McCollum and left Missouri to settle in Oregon must have dettled in the southwestern part of that state. My reasoning is that the young family consisting of their daughter, Flora, who married James Garret Bunch and their 2 or 3 small granddaughters, would not likely have started that long journey to an unknown area unless there had been some family there or going there. The James G. Bunch family settled in the Umpqua River Valley at Scottsburg in 1882 (April). This is presently in Douglas County, Oregon. They later moved to Elkton, Oregon (same county). Their granddaughter's reports that her mother's sisters were known to their family so it could not have been too far away that they settled. Nathaniel and Esther McCollum Bunch are buried at Elkton, Oregon so if they did not settle there at once, they went later to the area where their youngest daughter, Flora, lived. I would imagine travel in those days quite difficult so I only assume that the family would have been closer together than the area where Howard Maupin lived. *Scottsburg was 3rd settlement into Oregon. I don't know for sure.*

The Perry Bunch, second son of Samuel Bunch, who last was living in Douglas County, Missouri, was married in Osage County March 28, 1848 to Miss Mariah Smith (as listed in marriage records of county). I believe she was a sister of his second wife, Susan Schmidt since many times the old records had the names misspelled. There may have been relatives of the Schmidt side at or near Westphalia, Mo (Washington Twp. 1860 Census) since that name would indicate a German background and there was a strong German settlement in that area dating from late 1830's. Since he was last listed in Douglas County, I wonder if he and his family intended to go to the Oklahoma area as so many of the sons of Nathaniel and Nancy Eveline Keelin Bunch later did?

The granddaughter of Nathaniel ^{not the one} listed above has given me some of her information which I am now taking "with a grain of salt" since I discovered she had the order of children's ages in that family mixed up. She says she has a family Bible that lists them but either the dates of birth are not listed or she did not check it since the Census Records do not gibe with the order she gave me. She states that the three sons, Samuel P., George, and Joseph had all gone to Oklahoma by 1904 and settled there. Samuel P. married Luella King on January 7, 1875, George married MARY E. Bradford on March 28, 1882, Joseph married Ann Bradford on July 25, 1883, all in Osage County, Mo. *Joshua Anne*

The Elijah of the household of Nathaniel & Nancy Bunch listed above in the 1880 Census as 31 years of age married Sarah Henderson December 31, 1881 in Osage County. This same granddaughter of Nathaniel also states that he went to Colorado and settled. I do not have any date for this. This woman has also given me the list of the children of these people (no dates of birth) and has whether or not they married but not always whom. I am referring to grandchildren of Nathaniel and Nancy Bunch. I'm not sure this would be of any help to you.

Amanda Bunch listed as the 6th child of Samuel Bunch in your letter married Jesse Agee. I learned today of a person who has researched this line and will get her address soon.

My great-grandfather George Bunch listed as 7th child of Samuel Bunch in your letter, married a widow who had been married twice before. Her first husband was John Robinson (her maiden name was Bray) and they had five children all of whom along with the husband died in a cholera epidemic in 1840's. That is, all except the baby who was Manerva. Her mother married a Bishop and he died shortly after of cholera. She later married George Bunch and they had four sons: James Garret, Samuel I. William (he erased his middle name from the family Bible and none of his children could ever find out what it was!) and Calvin B. Only James Garret and William grew up. The other boys died as young children. I am about to complete these two lines to the present generation. James G. had only one son and he had no son. William had only one son who married and had children and he had only one son who had only one son. I have been unable to make contact with this last person but you can see the line here has about run out of Bunches. *MANERVA GREW UP - MARRIED A CHARLES PERROT - BONNIOTS MILL, MO*

You have listed James Bunch as the 8th child of Samuel Bunch and that he married Mary Jane ?. A marriage record in Osage County lists James Bunch married to Mary Jane Smith on October 13, 1859. He is listed in 1860 Census in Washington Twp. Osage County, MO. along with his brother(?) Parry Bunch, so I wonder if his wife could have been a sister of Parry's two wives: Maria and Susan? The ages would indicate they could have been sisters. Since neither James nor his wife is listed in 1870 and 1880 Census Records of Osage County, could it be they left when Parry (Perry) Bunch left to go to Douglas County, Mo? These Civil War days were turbulent times and since the Bunches we know of served in Union Army in this area I would guess there was reason to escape here since the area was so mixed up as far as northern and southern sympathizers was concerned.

In the listing of George Bunch's descendants (#7 your letter) the children of William "Bill" and Sarah Allen Bunch were: Georgia May, James Alexander, Joseph Uriah, Dora Margaret Jane, Zettie Lillian and Hattie Pearl. Zettie died as a child. Joseph was the son who married and moved to state of California, Hattie was my mother. A foster child was raised in their home also..a niece of Sarah Allen Bunch.

I don't know if these things are of any help to you or not. Some time later as I stated at beginning of letter I plan more search of county records. Until then hope we can keep in touch.

Claudia B.

The list of the household of Nathaniel & Nancy Bunch listed above in the 1880 Census as 31 years of age married Sarah Henderson December 31, 1881 in Otago County. This same grandfather of Nathaniel also states that he went to Colorado and settled. I do not have any date for this. You have listed James Bunch as the 8th child of Samuel Bunch and that he married Mary Jane. A marriage record in Otago County lists James Bunch married to Mary Jane Smith on October 13, 1897. He is listed in 1880 Census in Washington Twp. Otago County, MO. along with his brother(?) Perry Bunch, so I wonder if his wife could have been a sister of Perry's two wives: Maria and Susan? The ages would indicate they could have been sisters. Since neither James nor his wife is listed in 1870 and 1880 Census Records of Otago County, could it be they left when Perry (Perry) Bunch left to go to Douglas County, Mo? These Civil War days were turbulent times and since the Bunches we know of served in Union Army in this area I would guess there was reason to escape here since the area was so mixed up as far as northern and southern sympathizers was concerned.

In the listing of George Bunch's descendants (by your father) the children of William "Bill" and Sarah Allen Bunch were: George May, James Alexander, Joseph Irish, Dora Margaret Jane, Zettie Lillian and Hattie Pearl. Zettie died as a child Joseph was the son who married and moved to state of California, Hattie was my mother. A foster child was raised in their home also...a niece of Sarah Allen Bunch.

THE EDITORS NOTES

In the past pedigrees linking Colonial immigrants to the royal families of medieval England and continental Europe have been compiled by unscrupulous genealogists for credulous clients; and others, little more than sentimental patchwork in which a few pieces of real silk have been featherstitched to others of cheap shoddy by the thread of imagination, have been put together by amateur ancestor hunters, eager to establish a line of distinction. Some of these, mixed with others the authenticity of which is well attested, have been reprinted innumerable times in family histories more or less sumptuous. Actually, only comparatively few 'royal descents' have stood up under the careful scrutiny of competent genealogists. Even a carefully compiled book such as ANCESTRAL ROOTS OF SIXTY COLONISTS (1951) by the Rev. Dr. Frederick L. Weis, contains some questionable pedigrees, or at least a few which have notably weak links in them. Now, in an effort to compile an authoritative book in royal ancestry Mr. A.E. Perry, 729 Willow Lane, Norman, Okla., announces that he is working on such a list and will welcome correspondence with those who are interested or will contribute the pedigrees of their immigrant ancestors. Mr. Perry says that he will ~~publish~~ not publish descents from such immigrants, but only the proven ancestry of them. This should be, if he succeeds in his expressed purpose, a reference book worth while. Mr. Perry has, undoubtedly, already read the two essays on "Royal Ancestry" by Donald Lines Jacobus, the first of which appeared in his book GENEALOGY AS PASTIME AND PROFESSION (1930) p.31-38, and the other in his journal, THE AMERICAN GENEALOGIST, vol. 9, p.93-98, October 1932 (reprinted by Noel C. Stevenson, THE GENEALOGICAL READER ~~1958~~ (1958) p.45-53. Others interested in the subject would do well to read, mark and digest what Mr. Jacobus has said about the value of some of the books on royal ancestry. Attention might well be given also to George Andrews Moriarty's study, "The Royal Descent of a New England Settler," in THE REGISTER Vol. 79, p. 358-378, Oct. 1925, in which he demonstrates some of the pitfalls in the rough terrain of the field by tracing the descent of William Sargent, an early settler of Malden, Mass.

Dear Mrs. King:

I was pleased to receive your letter, always glad to hear from any one interested in genealogy. I doubt tho if I have any help for you IF your name spelled SARGENT. My ancestors were LARGENT. Often find the name misspelled Sargent so I search both spellings.

My Largent's came from Hampshire Co Va. Nelson Largent born 1762-3 Hampshire Co W. Va. In Rev. War. He and other members of the Largent families lived in Kentucky and then into Ohio, settling in Champaign Co. From there they moved to Montgomery Co. Indiana where Nelson died before 1850. Many of his descendants moved to Linn Co. Iowa. NANCY, dau of Nelson and Sarah Largent mar. 1831 ISAAC COX, son of JOSEPH AND LYDIA COX. and George I will be glad to pass it on to you.

I am just wondering about the spelling of your name. Sargent. Mostly I have found the SARGENTS from around Mass. I mean coming from there. LARGENTS from Va. Will certainly appreciate any exchange of ideas with you. There was a line of SARGENTS in Ohio in the early 1800's. I have some data on them and if you like will check thru and type off. Also a whole line of SARGENTS very prominent in Indiana early 1800's. On these I have names and some census records.

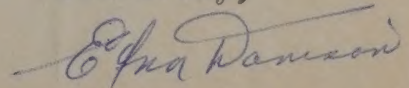

It will take more time than I have right now to check thru files for the name BUNCH. It is not too familiar. It does ring a bell possibly some one that has written to me has that name as one of their lines. I will check.

The PERRY line I need were from Vermont. EZRA, ELIJAH and PETER PERRY.

I realize this is not a very helpful letter, and I would really like to help you if possible. Let me know if you are sure of SARGENT. I know there was a WILLIAM LARGENT in Va. The way they wrote in those days very hard to tell an S from L.

Do write again if you think I can be of any help.

Sincerely,

Mrs. Edna Davison

Dear Mrs. King:

Since it is I and not my husband who has the Sargent line, I will write to say I am so sorry not to have any information on your Sally Sargent and George Bunch. I find William in some census reports and other references but nowhere in all my papers have I found the name BUNCH. I wish I could give you some help.

Thank you for writing and if I ever find Sally and George I will be glad to pass it on to you.

Sincerely,

Agnes S. (Mrs. B.C.) Harpole

Dear Mrs. King:

This is a belated response to your letter of inquiry dated September 22, 1961. Please excuse the delay. I am pleased to know of your interest. Yours is the first letter I have received on the Seargeant line.

The following is quoted from William K. Hall: Descendants of Nicholas Perkins of Virginia. 1957. p 533.

"ELIZABETH PERKINS [daughter of John and Mary (Anthony) Perkins] married October 10, 1793, William Seargeant, Jr., born about 1768. William Seargeant and Elizabeth his wife ... sold their rights to land as legatees under the will of John Perkins to William G. Poindexter as shown by an indenture dated May 14, 1808, recorded in Louisa Co., Va. (p 113 Deed Bk. L). William Seargeant left a will proved 1860. (to this family belonged Mrs. Samuel B. Pearce, who in 1957 lived at 4025 Mt. Vernon Drive, Los Angeles, Calif.) Issue:

- Ja 1. Mary Seargeant
- Ja 2. Sarah Seargent
- Ja 3. Susan D. Seargeant
- Ja 4. John Perkins Seargeant m. Elizabeth S. Perkins
- Ja 5. Hastings Seargeant
- Ja 6. William L. Seargeant
- Ja 7. Henrietta Seargeant
- Ja 8. Louisa A. Seargeant"

On pages 537-8 of the same reference, you will find that "John Perkins Seargeant...married Oct. 29, 1816, Louisa Co., Va., Elizabeth S. Perkins [and had issue - Virginia, Alexander C., Sarah E., and possibly others.]"

The above items suggest to me that William Seargeant, Jr., who married Elizabeth Perkins, and Sally Seargeant, who married July 15, 1788 Louisa Co., Va. George Bunch, may have been brother and sister.

Mrs. Garland B. King

What evidence do you have that Sally was the daughter of William Seargeant?

Your help in increasing my collection of information on this family will be appreciated.

Sincerely yours,

Dear Mrs. King::

I received your letter regarding the Largent Family Bulletins. Many time county Clerks, census takers & etc. would make their ~~E L~~ to Look like S. I know in many places the name was written as Sargent or Sargeant when it was really meant to be Largent. Now this does not mean that all Largent & Sargent families are the same.

I have found several working on Largent History so I started a project where everyone contributes what data they have on the Largent family & I typed them up & stencil copies for everyone. Thus far I have typed off three issues of about 22 pages each. Our Largents are from Virginia, Tenn. & Kentucky but not in the areas in which you mention in your ~~area~~ ^{letter}. I have picked up bits of information regarding Sargent families & cannot be sure if they fit into the Largents are not.

I still have a few issues available & will be glad to send you the three issues all for \$1.00. I will warn you though they do not contain very much Sargent data, but does have some.

I am sending a pedigree on my husband's lines & it appears that Nelson Largent (2) is a son of John Largent who lived in Orange Co., Virginia now Hampshire Co., West Virginia.

In doing your research if you do find anything on the Largents I will be very grateful to you if you will send me what you find as I am very interested in finishing a Largent History.

Sincerely yours,

Mrs. Robert L. Eustice

FROM "AUNT TED"

I knew Wyzas mother. She was smaller than Armilda or Salley. Had a small face and snappy black eyes. She didn't talk much. I knew Armilda and Uncel Neal well. And saw Aunt Salley and Uncle Dan Sperry a few times. She had blue eyes with a far away look in them, but could see without glasses. She seemed weak and old. I loved her. She was so gentel. Uncle Dan a little man and kind and friendly. Their youngest son Dell was alive and I saw him in Chillicothe when I was there 9 yrs ago. They had 2 girls. Mrs. Collier is likely still alive. And Dod Sperry. She married Mr. Plaster. Her son Tom and his wife Hattie Barnes went with us to Mont. He had lived with the Trosopers many years in the wild Mts. of Oregon. His wife Hattie Plaster might be able to tell you things you'd like to know. There were 2 girls ^{Aeda & Carrie} awful nice, and the youngest boy Mark married Aileen Bunch and live in Thermopolis, Wyo. He was raised on the Trosper ranch in Wyo. or Oregon. Could tell a lot about them. Now if you write to him address the latter to Mr. & Mrs. Plaster. He hates his name Marcus. He would know where his sisters live. They would be glad to hear from you.

I saw the old house that the grandfather of em all built. near heard his given name. Ona lived in the one his father built - 2 big rooms of logs with a alley between, called a dog trot. Sealing was great sypress planks so white. a fire place big enough to roast an ox in each room. And everyone welcome. The old place was about one mile away. A few miles from Cole Bank Holler - in a beautiful meadow. There were 2 rooms. The front room about 50 ft. long no window ~~axxdax~~. The door must have ben 8 ft wide. I believe it was made from one tree. The back room had a window ndear six ft. from the floor so a man could put his face there and watch

for Indians coming as they always came from the west and Cole Bank Holler. ~~XXXXXXXXXX~~

There were 2 bunk beds made of poles fastened to the wall. The room was about 6 x 12 ft and no well or water near. # Ona said my grandfather built it and my father (Ump) built the 2 house one near the spring which was a big one and One built a 3 room frame house very close where Edna had to live in fear the little ones might fall in. There was no bottom to this big spring or smalllake.

One sold some land in South Mo the other side of Sedalia in the hills and rocks. The old house had not ben lived in for ages. I don't believe it was his. He came back to Ides in Oct. 1898 (I was there). He took the Barnes family with him and they all ~~xxxxx~~ had a loud wild time. It would be a nice trip for you girls to go back there and see the people who are your distant kin. Start at Dawn near where Ump Bunch built his big white house with a porch along the south. I could see the pillars or posts miles away was never there. His second wife Aunt Julie lived there and Nell her youngest son. Then Claud her grandson lived there. I bet some of the family live t ere yet.

I don't know where Aunt Sally S;erry lived. They were living with their children when I knew them in Carroll Co. Uncel Dan died in LivingstonCo. at Jimmie's on the river bottom near Chillicothe. They Aunt S_alley lived at Armildies in Carroll Co.

Dear Mrs. King:

Your letter 2nd came while we were away so please excuse the delay. I am sending your letter to Mr. Alvin Seamster of Garfield Ark. who formerly lived in Bentonville and can advise you in re. papers if any one can.

As to the "Bunch " family records, it might be that Mr. J.A.Bunch might be interested. He formerly lived 324 St Charles St and once in Elkins Ark. He moved to Indianapolis Ind. several years ago. Have a memo of "Box No 434" in my Shrine records. If that does not reach him Mr. Quinn Glover recorder for Scimitar Temple, Box 5 South St. Station Little Rock Ark. should be able to supply as Bunch was a member.

Sincerely,

Dear Mrs. King:

Your letter of April 25 received and I charge
\$1.50 an hour for any sort of research.

You asked for the newspaper account of the death
of George Bunch Nov. 19, 1874. I looked in the file of
microfilmed newspapers here and find the following -

Bentonville Democrat begins Jan. 7, 1886

Fayetteville papers - several - either too early or
too late.

Western Independent Nov. 19, 1874 (Vol. 3, No. 49)
Nov. 26, "
Dec. all of month
Jan. 1875 - all of month.

(It ends Jan. 28, 1875 - then jumps to Sept. 1875)
George Bunch's obituary not given in this Fort Smith paper)

Rogers Daily News begins 1908

So I can not be a help to you in this matter. How about
writing to Mr. Walter J. Lempke, 231 East Dickson St.
Fayetteville, Ark. and ask him if a paper was published at
Fayetteville in November 1874. Indications are it was
but there are no copies here in the Archives.

I am sorry - do you suppose the Gazette would have
his obituary? Likely not unless he was a politician
or noted in some way. If I can help further please
address me at my home - 4123 Shackelford Road, Little
Rock. Thank you.

Yours very truly,

Dear Mrs. King:

There were two weekly newspapers published in Fayetteville in 1874, the Arkansas Sentinel and the Fayetteville Democrat. So far as we know, there are no files of these papers in existence. The University Library has scattered numbers of the Sentinel but these are not indexed and there are not more than a dozen or so issues of the 1870s.

Bentonville had a newspaper in 1874 -- maybe more than one. Mr. Alvin Seamster, former Mayor of Bentonville, now conducts a museum at Garfield, Ark. (Route 1). He has a collection of old Bentonville and Rogers newspapers but they also are scattered issues. He may be able to give you some information. He lived in Bentonville all his life and was a rural mail carrier for many years. He knows Bentonville and its history thoroughly.

Under separate cover we are sending you the current issue of The Arkansas Family Historian, which we publish. This number contains a list of Arkansas researchers, with their address and rates. You might like to contact one of them. If you wish to keep the copy, send us \$1.

Sorry we can't help you but will keep the name George Bunch on our list, just in case any of our members ever run across the name.

"SAVED THEIR SCALPS"

"And right here we will mention a little incident of how the prospect that tomahawks and scalping knives might be doing their bloody work, was felt by at least one family. There is no question that the settlers felt a cold chill pass up and down their spinal columns at the first news, and just here is where it caught Mr. George Bunch. George had been attending mill and looking after a farm, and wasn't at all anxious to become a second Danile Boone. The night following the news was an anxious one among the settlers, of which George Bunch, wife and several children were one or more. Quite a storm came up that night, and the wind broke off a limb of a tree near his cabin, and it broke with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet, and with blankets wrapped around them the family were hurried out into the open prairie and hid in the grass. The rain came down and the grass seemed damp, but it was so much better than being scalped that George was happy. Just as he thought that he was safe, however, the baby, not used to the sudden change, set up a yell and nearly took the hair off of Bunch's head in its rise and his sudden terror. "For God's Sake," said Bunch, "wife, stop that crying or we will all be scalped." The poor wife and mother was frightened and tried her best to stop the child, and as she could not, she spoke, "Oh, George I Can't!" George whispered back in awful desperation to "Choke it", but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that George and his family saved their scalps, but it leaked out about the choking business, and it was a good many years before George Bunch was done with being greeted, "Choke it, George".

August election, 1838. Sugar Creek Township, election was held at Philip Wilds. Judges were George Bunch..... (At one time Sugar Creek Township was in Livingston Co. Township names were changed to Madison and boundry changed. It is now in Grundy County, close to Trenton, Missouri).

Grundy County: In 1835 ~~the~~ the "Hentherley's, Watsons, Hawkins and Dobbins settled in the southeastern part of the county, near what is now Lindley. ~~Samphay Bent, John Metcalf, Atchison, the Williamses, the Hentherleys, all came during the 1835-36-37 period.~~ the arrival of George Peery and sons, William and Archibald, and daughter, Louisa; Jewett Harris, George Bunch, Philip Wild, and Evans (Peery).....

The following from a letter from: Mrs. Granville Sykes (Dorothy Bunch), of R.F.D., Dawn, Missouri. Jan., 1961.

I have heard told that Uncle Hamp said that when his mother, Elizabeth Wild, died, that they lived near the cemetery and that they carried the body to the cemetery and he was just a boy and they walked behind the casket.

The records show that my grandfather Humphrey was born Sept. 5, 1841, and I have a letter from Laura Collier (her Mother was Sarah Elizabeth Bunch) telling that Elizabeth Wilds died young after giving birth to a baby girl, who also died. My grandfather was youngest living, so she wrote. She is past 95 and her daughter wrote for her. I'll copy what she wrote about the family:

"I will tell you what she remembers about the Bunches. She doesn't know if your Grandfather's parents were married in Kentucky or not but supposed they were for that is where they came from when they came here. The Grandmother's name was Elizabeth Wiles or Wilds. She isn't sure how it was spelled and she is buried in Perry Cemetery in Ray or Grundy Co. Grandfather, George Bunch, buried in Bentonville cemetery. Their children:

Harvey Bunch, buried in Atchison, Kansas
Garret, married Polly Wilson.
Marsh, she knows nothing about him.
Hamilton, married Elizabeth Trosper.
Humphrey, youngest, born in Grundy Co.
Arnilda, married Neal Wooden
Mary - Rockhold
Sarah Elizabeth - Sperry - born in Kentucky, 1829.
Sis (Palmyra), married Will Trosper, brother to Elizabeth Trosper.

Their mother was quite young when she died shortly after giving birth to a baby girl who also died.

Grandfather, George Bunch had two brothers, Jim, buried over by Stokes Mound, and Sam Bunch, his older brother. When they got to St. Louis him and his family and also his mother went in a different direction and they never heard of them again."

I saw the old house that the grandfather of them all (George Bunch) built. Never heard his given name. Oney lived in the one his father (Ump) built, two big rooms of logs with an alley between, called a dog trot. Ceiling was great cypress planks, so white. A fire place big enough to roast an ox in each room. And everyone welcome. The old place was about a mile away. A few miles from Cole Bank Holler - in a beautiful meadow. There were 2 rooms. The front room about 50 feet long, no window. The door must have been eight feet wide. I believe it was made from one tree. The back room had a window near six feet from the floor so a man could put his face there and watch for Indians coming, as they always came from the west and Cole Bank Holler. There were two bunk beds made of poles fastened to the wall. The room was about 6 x 12 feet and no well or water near. Oney said "My grandfather built it and my father "Ump" built the two room one near the spring" - which was a big one - and Oney built a three room frame house very close where Edna had to live in fear the little ones might fall in. There was no bottom to this big spring or small lake. It would be a nice trip for you to go back there and see the people who are your distant kin. Start at Dawn near where Ump Bunch built his big white house with a porch along the south. I could see the pillars or posts miles away, was never there. His wife Aunt Julia lived there and had her youngest son. Then Claud her grandson lived there. I bet some of the family live there yet.

MARY O. BUNCH, daughter and oldest child of George & Elizabeth (Wilds) Bunch, was born 30 Jan 1826, in Kentucky, probably in Clay or Knox County. She came with her parents from Kentucky to Missouri when a very small child. She grew up in the Daviess County, Missouri, area, and was married there on 5th or 6th of May, 1847, to James C. Rockhold, who was born 18 Nov 1828 in Missouri, the son of Loyd Rockhold and Jane Connor who were married on 8th March, 1827 in Clay County, Missouri. James & Mary Rockhold lived most of their married life in Carroll County, Missouri, where James was a farmer in the Coloma community. Mary died 7 Feb 1898 at her home near Coloma, and was buried in the Blue Mound Cemetery, just across the line in Livingston County. James died 8 Dec 1903, Hale, Mo. His obituary in "The Hale Hustler" (nd) reads:

"James Rockhold died at the home of his daughter, Mrs. Chas Roosevelt, Sunday night at the age of 75 years. Dr. Baird conducted the funeral services at Blue Mound after which the remains were laid to rest in the adjoining cemetery. Grandpa Rockhold, as he was known, had only lived in Hale the past few years, but was beloved by all who knew him for his kind disposition and christain character which he lived in his everyday life. Deceased leaves two son and three daughters who are: Mrs. Frank Wooden, Mrs. Flora O'Dell, Mrs. Chas. Rosevelt, Bud Rockhold, and L. L. Rockhold of Butler, Mo. The Hustler extends sympathy to the bereaved."

Their children: (Birthdates from Rockhold Bible Record)

1. Elizabeth Jane Rockhold, b 25 Feb 1849, prob. near Breckenridge, Mo. Married 9 Sept 1869, Carroll County, Missouri, to Edward Franklin Wooden. MARY O. BUNCH, daughter and oldest child of George & Elizabeth (Wilds) Bunch, was born 30 Jan 1826, in Kentucky, probably in Clay or Knox County. She came with her parents from Kentucky to Missouri when a very small child. She grew up in the Daviess County, Missouri, area, and was married there on 5th or 6th of May, 1847, to James C. Rockhold, who was born 18 Nov 1828 in Missouri, the son of Loyd Rockhold and Jane Connor who were married on 8th March, 1827 in Clay County, Missouri. "James Rockhold died at the home of his daughter, Mrs. Chas Roosevelt, Sunday night at the age of 75 years. Dr. Baird conducted the funeral services at Blue Mound after which the remains were laid to rest in the adjoining cemetery. Grandpa Rockhold, as he was known, had only lived in Hale the past few years, but was beloved by all who knew him for his kind disposition and christain character which he lived in his everyday life. Deceased leaves two son and three daughters who are: Mrs. Frank Wooden, Mrs. Flora O'Dell, Mrs. Chas. Rosevelt, Bud Rockhold, and L. L. Rockhold of Butler, Mo. The Hustler extends sympathy to the bereaved."

6. ELWYSEY P.A. ROCKHOLD, dau and 6th and youngest child of James C. Rockhold and Mary O. Bunch, was born 11 Aug 1865, near Coloma, Carroll Co., Mo. She married 21 Feb 1887, in Carroll Co., Charles Henry Roosevelt (b 18 July 1864, Ashley, Ohio., the son of John Henry Roosevelt and Eliza Ann Ribble). They lived in Hale, Mo., where Chas. was manager for the Hale Telephone Co. Wysie and Chas both grew up in the Coloma community, and Chas loved to talk about his youth there. His father had a General Store at Coloma. There was a gulch near there where outlaws could hide, and the James', Youngers' and other gangs would ride in and hide, and pay Charles to stand watch and alert them if anyone came near, letting them get some much needed rest. Charles would tell his father they were there, and they would come to the store at night and buy supplies. Wysie died young, it is thought of appendicitis, on 2 July, 1905, at Hale, and is buried there in the Roosevelt Family Plot. They had one son:

1. Claude Morris Roosevelt, b 31 Oct 1888, near Coloma, Mo. He attended school in the early grades at Oak Hill, a rural school west of Coloma. Later attended school at Hale, and worked with his father in the Hale Telephone Exchange and later at Verden, Okla, in the Verden Telephone Exchange owned by Roosevelt & Son. Claude loved to climb the poles. In 1912 he became a Teller in the First National Bank of Verden, and on 4 Sept 1912, was married, at Chillicothe, Mo., to Myrtle May Dye, b 16 May 1890, the dau of Isaac Dye of Hale, Mo. Myrtle died of cancer 29 May 1926 at Chickasha, OK; bur Hale, Mo. Claude died 1 Mch 1964, Siloam Springs, Ark.; buried there. They had a dau:
 1. Erma Lee Roosevelt, b 29 Sept 1913, Verden, OK. Worked for Shell Oil Co in Tulsa for many years. M. 1st, James Smythe Blaine, (b7 Aug 1911, son of Robert Walter & Ethel (Smyth) Blaine). Jim also worked for Shell. He died suddenly of a heart attack 8 Feb 1970 at Houston, TX., bur. there. Ermie m. 2nd, in 1972, E. L. "Grif" Griffith. They resided in Houston where Ermie died of cancer 10 June 1978. No children. She was bur beside Jim in Memorial Oaks Cem., Houston.

After Wysey died, Charles Roosevelt m. 2) Cornealia Armelda Hudson, on 4 Sept 1906, at Carrollton, Mo. "Neal" as she was called, was born 24 Feb 1883, at Mandeville, Carroll Co., Mo., the dau of Edward Hudson and Orlena O. Bunch. Wysey and Neal were 2nd cousins. Their mothers were first cousins, and their grandfathers were brothers, George and Jim Bunch, early settlers in the area. Soon after their marriage Charles and Neal and Claude moved to Verden, Grady County, Okla., where they purchased and managed the Verden Telephone Exchange. Later, they sold it, and Claude became a Teller in a bank and Charles was the postmaster there for many years. In 1930 they moved to Nowata, Okla. They had 5 children:

1. Geneva Orlena Roosevelt, b 25 Feb 1913, Verden, Ok., m. at Nowata, OK, 5 May 1934, Garland B. King. No children.

Dear Geneva,

Thank you so very much for your very fine material on the Barnes, Wooden and Newton lines. I know that time is a most valuable thing to each of us and it is obvious that you spent a lot of time for me and I am most grateful.

I too wish I had been interested 20 years ago in this genealogy business. I would have been able to collect so much data from my grandparents. I lost the first one in 1961 so I could have collected so many stories that are now lost forever.

Since I wrote to you, Mrs. Haynes (California) has sent the Wooden book. Both you and the book have cleared up an error on my part. Isaac Marion and Roy Marshall were not brothers, but uncle and nephew. Thank you for the offer to copy.

The data on the Barnes line works out thus:

William T. Barnes (born c1864) had a daughter, Myrtie Mabel Barnes

Frederick Henry Newton (born 1851) had a son, Everett Victor Newton

Myrtie Mabel Barnes married Everett Victor Newton 18 Apr. 1915

Now to switch gears to the NEWTON line.

Herbert G. Newton who married Letitia M Gibbs was an older brother to Frederick Henry Hewton who married Isabella Rebecca Wood.

Herbert was born in England as you have indicated and Frederick was born in Canada. The only other names of brothers and sisters that I have found were John and Myra Jane and they both died in Canada.

Henry and Julia Anna Humphrey Newton emigrated from England to Canada about 1840 to live near Toronto.

Herbert G. and Frederick Henry migrated to Missouri between Apr. 5, 1879 and Sept. 19, 1881, these two dates being the birthdates of Frederick's two oldest children, the first being born in Canada and the second being born in Carroll Co. Mo.

Wish I had more to share, but this is all I have to date.

I started in early 1976 to try and trace my lineage back to the great-great grandparent level. It took two years to gather the data about descendants from the great grandparent level, type, and get it printed and distributed to the cousins of my parents or their descendants. That was done by June 1978. Then I got to wondering where those great-great grandparents came from so I really got hooked into research. Getting the data for print for those 8 generations has certainly proven easier that going backwards. I am only trying to go back to the 5th great-grandparent level, but it is a "hard row to hoe". In some of it, I have been very fortunate and other lines have just been deadends (so far). Dealing with 16 family names on the great-great level is certainly easier than the 32-64-128 family names on the next three levels.

I consider myself very fortunate to have found active and very cooperative researchers on 14 of the 32 family names on the 3rd great level.

Although I do not have an active Newton-Humphrey researcher, I do have an active Wood-Chambers and he is very kind to send me bits of information from time to time when he finds Newton-Humphrey.

I can see why genealogy can be very confusing at times. My father is 69 years old and this young man is only 23 but they are on the same generation level!!! Women stretched out their childbearing years for so long that if you study the material, it can be identified as being correct, but my dad was overwhelmed when he figured this relationship.

I have not been able to go back past 1708 officially, but perhaps any day evidence will turn up that will go back even more than that.

It pleases me very much that I have stirred up your interest again. Another lady was kind enough to say almost the same thing and that is one of my pleasures in getting involved in this business. Sometimes we can give each other an encouraging word.

Looking forward to your next communication.

Best personal wishes,

Ford

Mrs. Garland King

Dear Mrs. King:

About 3 months ago, I began the exchange of information with Mrs. Kenneth (Mary) Haynes in California regarding my lineage of Haynes-Sloan-Patton-Cunningham and Knox-Lucky-Shields- ?

She was very kind to send me some information regarding Livingston County Missouri which led me to the conclusion that perhaps you also might have some information on two other lines which I am interested in although they are not direct, but involved in the family by marriage.

The names are WOODEN AND BARNES.

If you will refer to the enclosed pedigree chart I will try to explain my interest.

Grover Cleveland (my paternal grandfather) had two sisters who married men by the name of Wooden. They were Isaac Marion Wooden and Roy Marshall Wooden. These men were the sons of Ephraim Jefferson and Laura Ann (Marple) Wooden. According to the Missouri 1880 (Carroll Co.) Census, Ephraim was born in 1845 in Missouri (his dad in Ky.-his mom in Va.) and Laura Ann was born 1841 in Missouri (her dad in Ky.-her mom in Ky.). At the time of this census Ephraim and Laura had six children.

Christina Matilda Newton Burner (my paternal grandmother) had a brother who married a lady by the name of Barnes. She was Myrtie Mabel Barnes. Myrtie was the daughter of William T. and Phoebe (?) Barnes. According to the Livingston County Mo. census of 1900, William Barnes was born in 1862 in Missouri (his dad in Tn.-his mom in Ky.) and Phoebe was born in 1866 in Missouri (her dad-Ohio and her mom-Ohio). At the time of the census they had been married 13 years. William and Phoebe are buried in the Blue Mound Cemetery in Livingston County, Missouri.

I don't know if any of these Wooden or Barnes folk fit in with any of yours, but I would appreciate any comments that you could make. I have enclosed a self addressed stamped envelope for your reply.

Sincerely,

(Miss) Barbara Ann Burner

"During the "Heatherly War" (1836) Indian excitement in Grundy Co was at fever pitch. The night following the news was an anxious one among the settlers, of which George Bunch, his wife and several children, were no exception. His cabin stood near Edinburg, and that night a storm came up and the wind broke off a limb near his cabin with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet. With blankets wrapped around them, the family hurried out into the open prairie to hide in the grass. All went well until the baby let loose a wail of protest against the stormy night that sent the hair of Bunch's head standing on end. "For God's sake, wife, stop that crying or we all will be scalped." "Oh, George, I Can't", responded the mother. "Choke it!" said George in desperation, but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that the family saved their scalps, but for many years Bunch was greeted with "Choke it, George!"

The rush of 1835 was a fair one for Madison township..... Then came Evans Peery and his son, Wm. H. Peery, Robert Perry, Thos. Carnes, Elder McCammon, Isaac J. Harvey, Wm. Metcalf, Philip Wild, George Bunch, John M. Graham and sons, Wm. Renfro and R.W. Keith, all come in 1835-36-37. 1813

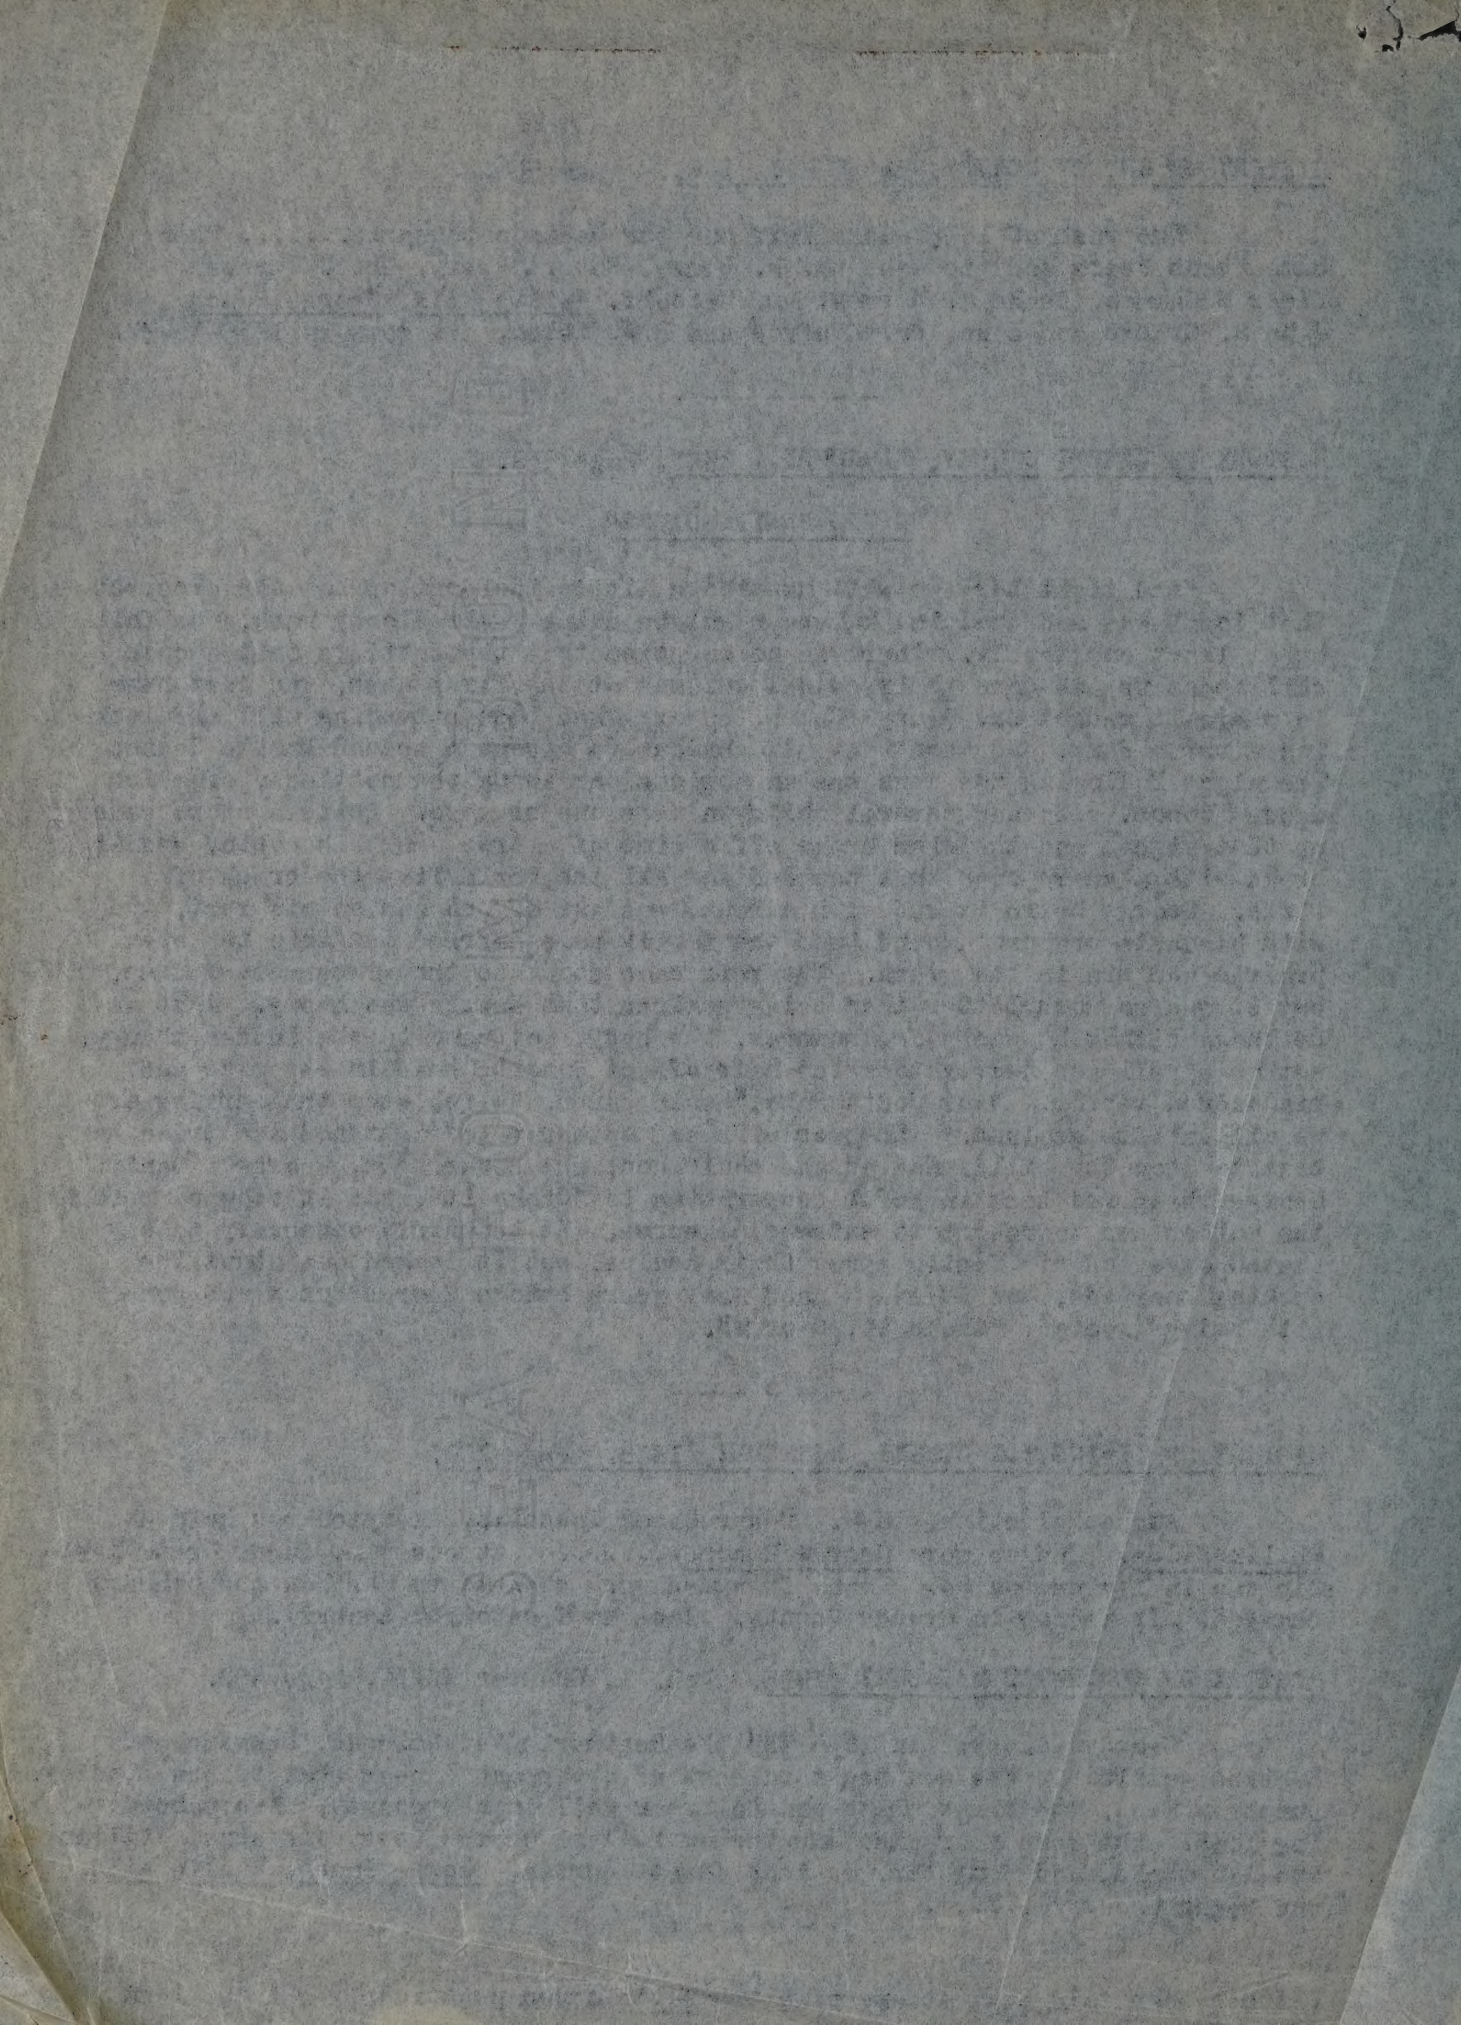

"SAVED THEIR SCALPS"

"And right here we will mention a little incident of how the prospect that tomahawks and scalping knives might be doing their bloody work, was felt by at least one family. There is no question that the settlers felt a cold chill pass up and down their spinal columns at the first news, and just here is where it caught Mr. George Bunch. George had been attending mill and looking after a farm, and wasn't at all anxious to become a second Danile Boone. The night following the news was an anxious one among the settlers, of which George Bunch, wife and several children were one or more. Quite a storm came up that night, and the wind broke off a limb of a tree near his cabin, and it broke with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet, and with blankets wrapped around them the family were hurried out into the open prairie and hid in the grass. The rain came down and the grass seemed damp, but it was so much better than being scalped that George was happy. Just as he thought that he was safe, however, the baby, not used to the sudden change, set up a yell and nearly took the hair off of Bunch's head in its rise and his sudden terror. "For God's Sake," said Bunch, "wife, stop that crying or we will all be scalped." The poor wife and mother was frightened and tried her best to stop the child, and as she could not, she spoke, "Oh, George I Can't!" George whispered back in awful desperation to "Choke it", but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that George and his family saved their scalps, but it leaked out about the choking business, and it was a good many years before George Bunch was done with being greeted, "Choke it, George". 1813

August election, 1838. Sugar Creek Township, election was held at Philip Wilds. Judges were George Bunch..... (At one time Sugar Creek Township was in Livingston Co. Township names were changed to Madison and boundary changed. It is now in Grundy County, close to Trenton, Missouri).

Grundy County: In 1835 ~~the~~ the Heatherley's, Watsons, Hawkins and Dobbins settled in the southeastern part of the county, near what is now Lindley. Humphrey Best, the first white man to break soil in the county, also came during 1835. The same year also saw the arrival of George Peery and sons, William and Archibald, and daughter, Louisa; Jewett Harris, George Bunch, Philip Wild, and Evans (Peery?).....

(It has been told that at one time the Wilds owned practically all the land between Trenton and the Iowa line.)

The following from a letter from: Mrs. Granville Sykes (Dorothy Bunch), of
R.F.D., Dawn, Missouri. Jan., 1961.

I have heard told that Uncle Hamp said that when his mother, Elizabeth Wild, died, that they lived near the cemetery and that they carried the body to the cemetery and he was just a boy and they walked behind the casket.

The records show that my grandfather Humphrey was born Sept. 5, 1841, and I have a letter from Laura Collier (her mother was Sarah Elizabeth Bunch) telling that Elizabeth Wilds died young after giving birth to a baby girl, who also died. My grandfather was youngest living, so she wrote. She is past 95 and her daughter wrote for her. I'll copy what she wrote about the family:

"I will tell you what she remembers about the Bunches. She doesn't know if your Grandfather's parents were married in Kentucky or not but supposed they were for that is where they came from when they came here. The Grandmother's name was Elizabeth Wiles or Wilds. She isn't sure how it was spelled and she is buried in Perry Cemetery in Ray or Grundy Co. Grandfather, George Bunch, buried in Bentonville cemetery. Their children:

Harvey Bunch, buried in Atchison, Kansas

Garet, married Polly Wilson.

Marsh, she knows nothing about him.

Hamilton, married Elizabeth Trosper.

Humphrey, youngest, born in Grundy Co.

Amilda, married Neal Wooden

Mary - Rockhold

Sarah Elizabeth - Sperry - born in Kentucky, 1829.

Sis (Palmyra), married Will Trosper, brother to Elizabeth Trosper.

Their mother was quite young when she died shortly after giving birth to a baby girl who also died.

Grandfather, George Bunch had two brothers, Jim, buried over by Stokes Mound, and Sam Bunch, his older brother. When they got to St. Louis him and his family and also his mother went in a different direction and they never heard of them again."

Jim Ump Hogan says his grandfather, George Bunch, was born in Cumberland County, Kentucky, in 1801. Moved to Missouri in 1832. Came with the Cherokee Indians. Was a 16th blood Indian.

-- Mrs. Ida (Roosevelt) Bunch
Chillicothe, Mo. 1956.

I saw the old house that the grandfather of them all (George Bunch) built. Never heard his given name. Oney lived in the one his father (Ump) built, two big rooms of logs with an alley between, called a dog trot. Ceiling was great cypress planks, so white. A fire place big enough to roast an ox in each room. And everyone welcome. The old place was about a mile away. A few miles from Cole Bank Holler - in a beautiful meadow. There were 2 rooms. The front room about 50 feet long, no window. The door must have been eight feet wide. I believe it was made from one tree. The back room had a window near six feet from the floor so a man could put his face there and watch for Indians coming, as they always came from the west and Cole Bank Holler. There were two bunk beds made of poles fastened to the wall. The room was about 6 x 12 feet and no well or water near. Oney said "My grandfather built it and my father "Ump" built the two room one near the spring" - which was a big one - and Oney built a three room frame house very close where Edna had to live in fear the little ones might fall in. There was no bottom to this big spring or small lake. It would be a nice trip for you to go back there and see the people who are your distant kin. Start at Dawn near where Ump Bunch built his big white house with a porch along the south. I could see the pillars or posts miles away, was never there. His wife Aunt Julia lived there and had her youngest son. Then Claud her grandson lived there. I bet some of the family live there yet.

The census of Grundy Co., Mo., taken at its formation in 1841, lists George Bunch, born in Cumberland County, Ky. Also a Stokeley Bunch, born in Cumberland Co., Ky., relationship not shown. Children of Stokeley Bunch were John, Jim and George. Do not know the order of birth. One child born in Cumberland Co. and the other two born in Chariton Co., Mo. Stokeley's son, George, had three children, Ann, Frank and Laura. Stokes Mound Township in Carroll Co., Mo., was supposed to have been named after Stokeley Bunch. The above information from Mr. Crandall of Trenton came I believe from a J. Riley Bunch, of Rt. 3, Milan, Mo.

THE BUNCH FAMILY OF VIRGINIA

I am informed that the Bunch family was first known in Flanders and migrated to Scotland during religious uprisings and were known to have lived there for 400 years. The earliest record of the family in America is that of a JOHN BUNCH who came to Virginia 1651-52. Due to the destruction of public records of that part of Virginia successively known as York, New Kent, Hanover and Louisa Counties, where records were destroyed during the Civil War, I have been unable to trace the family between 1651 and 1742.

--- Richard H. Bunch
Chicago, Illinois. 1938.

- 1651-52 John Bunch came to Virginia.
1662 John Bunch granted 450 acres of land in New Kent County.
1665 William Bunch came to Virginia prior to this date.
1722 John Bunch, Jr., granted 400 acres of land in Hanover County in what is now Frederickville Parish, Louisa County, Va.
1724 Paul Bunch granted 400 acres of land in Hanover County.
1725 John Bunch granted 400 acres of land in Hanover County.
1728 John Bunch granted 400 acres of land in Hanover County.
1738 William Bunch granted 400 acres of land in Hanover County.
1741 Rebecca Bunch granted 400 acres of land in Goochland County.
1767 Samuel Bunch granted 400 acres of land in Louisa County.

1742 John Bunch, Jr., died in Louisa Co. prior to this date. He had patented 400 acres of land in Frederickville Parish in 1722. In a deed dated March 14, 1742, now in record in Louisa Co. this Property was inherited by five sons: John, William, Henry, David, and James.

1774 John Bunch (believed to be son of John, Jr., above) left a will in Louisa Co., Va., naming: sister, Lucresha Meredith; Nancy Bunch, daughter of William; and brothers Samuel, David, & James.

1801 George Bunch born in Cumberland County, Kentucky.
1803 James Bunch born in Kentucky.

1832 George & James Bunch migrated with their families to Missouri. There was no doubt other relatives with them, possibly another brother Stokeley, and perhaps others.

I have compared records with other Bunch families of Virginia descent, and considering the similarity of family names, legends, even a family resemblance, I am convinced that George and James Bunch are descended from the Bunch family of Virginia, possibly from one of the six brothers mentioned above: John, Henry, William, David, James and Samuel. I have not been able to prove the ancestry but still have hopes.

--- Geneva King, Rt. 1, Nowata, Okla.
1960.

Have recently learned that When George and Jim Bunch came from Kentucky to Missouri, another brother, Sam, and their mother came with them. At St. Louis Sam and his mother went in a different direction and were never heard from.

BUNCH FAMILY LEGEND

There is an old tradition in East Tennessee that the first Bunch in this country was a ship-wrecked lad on the coast of Virginia. In his teens he joined a party to recover some prisoners and property taken by the Indians. Getting ahead of the Indians they concealed themselves behind some logs. The Captain ordered them to fire as the Indians were straggling along. Bunch waved his hand and said, "Wait, and let's bunch them". Finally, when the Indians got together they fired, large numbers were killed and the prisoners recovered. There are several versions of this, and in one it is said that the first Bunch in the present East Tennessee was a ship-wrecked youngster, another has it that the first Bunch came over at the age of 17. Unless my recollection of history is wrong, there was no "Tennessee" until at least 100 years after the John Bunch came to New Kent County in Virginia.

Dear Geneva,

I was sorry that I missed you when I tried to call you on April 5th. It was not anything special, just wanted to say "Hello".

Don't know how far out you go with the branches, but I did get a bit more information about the children of John Carter Barnes and Martha Frances Russell so have enclosed the work chart (you may keep it) in the event you would hear from another Barnes researcher that might need such information.

Thank you so much for your fine cooperation. I would be less than honest if I did not give credit to many people like you who have been so kind to give me a helping hand on so many occasions.

Sincerely,

Dear Mrs. King:

My name is Charles Warren Rockhold and you don't know me, but I have been attempting to trace the family genealogy for several years and I need assistance.

I understand your great grandmother was Elwysy A. (Rockhold) Roosevelt, and she was the daughter of James C. Rockhold and Mary O. Bunch.

Do you know anything about the Rockholds?

Is there a family Bible?

I am sure James C. Rockhold is the Uncle Jim that I have been searching for, but I need proof.

Do you know where James C. Rockhold was born & who his parents are?

I received your name from Mrs. Granville Sykes of Dawn, Mo.

Is there a Roosevelt family Bible that would help.

I would greatly appreciate any help.

A self addressed stamped envelope is enclosed for your reply.

Many Thanks

Dear Mrs. King:

I was extremely happy to receive your letter, because I am positive it is the same line I am looking for but there are several missing connections.

I just paid \$103.00 for research fees in Maryland, and to help you I need an explanation or an answer to your "Dawson (Darsen) Rockhold" that appears on your Four Generation Ancestor Chart. Is it that you do not know whether his name was Dawson or Darsen?

I now have practically all the Rockhold wills for the State of Maryland, and one will names a son on which the spelling as well as the legibility is most difficult. Have had quite a few people who are experts at reading old records and all of them say it's DOSEN. The father's will is dated Apr. 21, 1773, therefore, it could be the Dawson (Darsen) of your line since you say he was born CA 1750-1760 & prob. in Maryland.

Please explain the Dawson (Darsen) situation & I will try to assist you because I can take that Rockhold group back to 1647 in Virginia.

In your letter you said you have a few records on another branch of the family that settled over the line in Iowa. Would you please send these to me because this could be my line?

Have just discovered that these were Rockholds

in Sullivan Co. Tenn., which is close to
Carters Co. Have you aided any will or probates
from either of these 2 Counties?

Would appreciate your additional
assistance & I will answer your letter. A
S A & E is enclosed for your reply.

Pls. forward all Lockhold
data you have & I assure
you I can help you.

Dear Mrs. King.

I have been reviewing all of my records, as well as, all correspondence because I have not had too much success for the last four years.

The reason I am writing you is because you mention the Dawson (Darsen) Rockhold of Maryland & Carter Co., Tenn. and his children. The children one of which is Francis Rockhold is the only Francis I have been able to locate.

Can you assist me in any way with Francis?

Could there possibly be a John Rockhold in this family?

I know there was a Hannah, Ruth & Elizabeth connected with my Francis and you mention all three with Francis. Can you tell me details regarding the Rockholds in Iowa?

Please take a couple of minutes and help me - I will be forever grateful and will do everything possible to help you.

I self addressed - and stamped envelope is enclosed.

Sincerely
O. Rockhold

Do you know after I sent that last letter on Cora Standly
I kept thinking of she was dau of Thomas Minnis she was
sister in-law of Sadonia (Donne) (Keltner) Minnis for she was
dau of Margaret Abigail Haynes who was 2nd wife of
John Phillip Keltner. "Donne" is Leroy Douglass Minnis
died soon after (much) & he married M. Lelia? Hatcher.
Believe the Leroy D. Minnis is ancestor of Mr John Deitch

The Haines you mentioned escapes me at the moment but
there were 5 different families of Haynes/Hanes/Haines
in this same area. Keep an eye out for Haynes
spelled any way in Rep. Record esp. family picnics &

Have a query coming out in the paper this next issue.

On Oct 16, 1670, a tract of 120 a was surveyed for Thomas Todd on the w side of Chesapeake Bay on the s side of the Severn R., running down Todd's Cr. This land was called Todd's Harbour, now part of the Town of Annapolis.)Patent 14, f191).

Todd's Pasture was surveyed for Thomas Todd on Nov 16, 1674. This land lay in Todd's Neck, now Annapolis. (Patents 19, f. 122)

Thomas Todd died intestate. On Apr 18, 1677, Sarah Todd was granted 1/4 adm. on the est of her husband Thomas Todd late of AA co deceased (Test. Proc 9, f 54)

Sarah Todd, widow of Thomas, m. (2) William Stafford, who on Sept 24, 1678, was accused of wasting the orphan's estate. (Test. Proc. 10, f. 282)

An inquisition about the lands of Thomas Hall in 1679, which adj the tract called Todd, is of interest here.

Thomas Hall died in 1655 and was seized with 20 a of land, lying near AA R in Todd's Neck. This Thomas Hall left by 1 son Christopher, who apptd his mother Elizabeth his sold heir. After the said Hall's death, Benjamin Record lived on the land 11 yrs, after which it was possessed and occupied by Thomas Todd, who procured a patent for said land in his own name, and since his death, by Wm. Stafford, who doth receive the issues and profits thereof and paid the rent for said land to his Lordships High Sheriffs, for the time being of AA co. The court orders Wm Stafford to show at next provincial court why the grant should not be mae void. As grants annulled and made void, returned to his Lordship, no chance was lost to procure them. Therefore, the court did not hesitate to claim one taken up dishonestly. The above record charges Thomas Todd as obtaining the parent surreptitiously. (Arch of Md, LI. f. 267)

In 1679 William Stafford was living in AA co. It is thought ##### that Honor Stafford, whom married John Dorsey of Edward, was related to this family of Staffords.

Dear Mrs. King:

I am anxious to know what relation you are to the Rockholds. A few years ago I corresponded with great-grandmother's granddaughter, her mother was Elwysey Rockhold Maupin. Elwysey died and great-grandmother raised Elizabeth Maupin. They took her when she was 5 months old. Great-grandmother was 63 years old when she took this baby to raise. In early days in Calif. an Indian mother died and left a tiny baby. The father came to Loyd & Jane Rockholds home & asked if they would take care of his son. They told him they would if the Indians would never molest them. They raised this Indian boy, his name was Mose McKinsey. They also kept a little Indian girl in their home for awhile, her name was Dora Hagan. Elizabeth Maupin Hull wrote me about the Indians. Loyd Rockhold went to Calif. in 1849 during the gold rush. He and another man had the gold panned or whatever it was called. And one night the other man stole great-grandfather's gold and tools. He had to get more tools and start all over again. He vowed if he ever saw the thief he would kill him but when Loyd came back to Mo. this man had gone blind. Loyd said God had punished him enough. Uncle Tom Cox told me this story when he visited us in 1933/53 I believe it was. Our grandmother Rockhold-Cox raised 9 children all have passed away, were very dear aunts and uncles to us. Uncle Jim & Rockhold's daughter Sarah Wooden visited grandmother Cox when I was a girl. She was Clarence's aunt. These dates I have are not complete, but that is all I have of Loyd & Jane Rockhold's children. They might have come from Ky. to Mo. I do not know. I am 67 years old and don't have very good health since moving to town.

- | Name | Born |
|---------------------------------|--|
| 1. James G. Rockhold, | Nov. 1828 |
| 2. John Rockhold, | May 23, 1830 |
| 3. Elizabeth A. Rockhold, | Jan. 26, 1832, died in Calif., married _____ Maupin. |
| 4. Loyd Rockhold, Jr., | May 20, 1834 |
| 5. Richard Livingston Rockhold, | March 30, 1836; died near Freedon, Ocla., at home of his son, died Aug. 31, 1926. |
| 6. Mary Jane Rockhold, | born May 26, 1838; died May 30, 1925, at her home Mercer Co., Mo., buried in Laughlin cemetery. (Married J.W.B. Cox) |
| 7. H Mar (Homer?) Doc Rockhold, | born Feb. 6, 1840; died in Calif. |
| 8. Elwysey Rockhold, | born May 2, 1842. Her married name was Maupin; died in Cal. |
| 9. Nancy E. Rockhold, | born May 13, 1844. |
| 10. William D. Rockhold, | born Aug. 6, 1847. |
| 11. Robert Rockhold, | born Jan. 11, 1850. |

The only ones of these children we knew were our grandmother Mary Jane and her brother Uncle Dick Rockhold. I don't have the date of death of so many of them. As far as I know the children of Loyd and Jane Rockhold were all born in Carroll Co. Mo. Our grandmother was 19 when she was married to J.W.B. Cox. Her folks were living in Mercer Co., Mo at that time. I don't know how many of Loyd Rockhold's children lived in Calif. Lizzie Maupin Hull (Hull?) wrote about her aunt Elizabeth A. and her mother Elwysey were buried in Shasta County near a little town called Gas Point. She also thought Uncle Doc Rockhold was buried there. We have a cousin H.N. Cox, 2408 West 9th St., Los Angeles, 6, Calif. I don't know whether he would know anything about dates. Mrs. King this is a rather jumbled up letter but I am having trouble with my left eye and don't feel like recopying it. I hope you can find some one to help you. Dora Mastert typed the dates of the Loyd Rockhold family for me.

Monday, April 8, 1902

Dear Mrs. King

I am anxious to know what relation you are to the Rockholds. A few years ago I corresponded with great-grandfather's, a grandchild, her mother was Mary Ann Rockhold. Mary Ann died and great-grandfather raised Elizabeth Hagan. They took her when she was 5 months old. Great-grandfather was 65 years old when she took this baby to raise. In early days in Calif. an Indian mother died and left a tiny baby. The father came to look & Jane Rockhold home & asked if they would take care of his son. They told him they would if the Indians would never molest them. They raised this Indian boy, his name was Woss Hobbins. They also kept a little Indian girl in their home for awhile, her name was John Hagan. Elizabeth Hagan will write me about the Indians. Loyd Rockhold went to Calif. in 1889 during the gold rush. He and another man had the gold mined or whatever it was called. And one night the other man stole great-grandfather's gold and took it. He had to get more tools and start all over again. He vowed it be even now the thief he would kill him but when Loyd came back to Mo. this man had gone blind. Loyd said God had punished him enough. Uncle Tom told me this story when he visited us in 1902. I believe it was. Our grandmother Rockhold raised 9 children all have passed away, very dark minds and much to say. Uncle James a Rockhold's daughter & her husband raised great-grandfather for when I was a girl. She was Clarence's aunt. These dates I have are not complete, but this is all I have of Loyd & Jane Rockhold's children. They might have come from Ky. to Mo. I do not know. I am 67 years old and don't have very good health since moving to town.

The only ones of these children we know were our grandmother Mary Jane and her brother Uncle John Rockhold. I don't have the date of death of so many of them. As far as I know the children of Loyd and Jane Rockhold were all born in Kentucky. Our grandmother was 19 when she was married to L.W. Cox. Her folks were living in Hesperus, Colo. No one there. I don't know how many of Loyd Rockhold's children lived in Calif. I have James Hagan (Hill) wrote about her aunt Elizabeth A. and her mother Mary Ann were buried in Shasta County near a little town called Oak Point. She also thought Uncle John Rockhold was buried there. We have a cousin M.W. Cox, 200 West 2nd St., Los Angeles, Calif. I don't know whether he would know anything about father. Mrs. King this is a rather jumbled up letter but I am having trouble with my left eye and don't feel like reworking it. I hope you can find some one to help you. Your husband typed the dates of the Loyd Rockhold family for me.

Mrs. Dora Mastert, 2206 Elizabeth, Fort Collins, Colo. I suppose that is a street no. Dora and I am both named for Aunt Dora Cox Hampton. And another aunt on the Brown side of the house. We are both named Dora Eleanor. Loyd & Jane Rockhold were my great-grandparents.

Mrs. King, there was no day or month date on the record I have of James C. Rockhold. Also great-grandfather Loyd & wife's wedding was just "fall of 1827". Our cousin, Mrs. Dora Mastert is very much interested in the genealogy of their ~~ancest~~ ancestors. Dora & husband's religious faith is the Latter Day Saints. Andy. Dora's husband is a carpenter and they live at Fort Collins, Colo., 2206 Elizabeth. I think they are still at Ft. Collins. I don't know whether she has any more dates than I have but if you would like to write to her I am sure she would be glad to give them to you. Dora is another grand-daughter of Mary Jane Rockhold Cox.

Loyd Rockhold was born Jan. 15, 1808; died Sept. 15, 1884 and was buried in Shasta Co., Calif., near a little town called Gas Point. Jane Connor (or O'Connor) was an Irish lassie was born May 22, 1810; died Jan. 20, 1890; were married the fall, 1827. Loyd and Jane Rockhold were living in California at the time of Loyd Rockhold's death. Jane Rockhold came back to Mercer Co., Mo and lived with her daughter, Mary Jane Rockhold Cox til her death. She was buried in the Laughlin cemetery in Mercer County, Mo., southeast of Lineville, Iowa. I do not know where the Rockholds lived before coming to Mo. These records were copied from Grandmother Mary Jane Rockhold Cox's Bible. Loyd & Jane Rockhold were the parents of 11 children. Some of their children moved to Calif. I am not married. My name is Miss Dora E. Brown and my bachelor brother and I live in Lineville. Our address in Lineville, Iowa, PO Box 21. Our mother Elizabeth Jane Cox was the daughter of J.W.B. Cox and Mary Jane Rockhold Cox. I never was interested in the family tree until it was too late to find out much about time and place where Jane & Loyd Rockhold came from.

Yours friend,

Miss Dora E. Brown

Mrs. John Reichold, 2300 Wisconsin, Fort Collins, Colo. I suppose this is a street no. John and I are both named for Aunt John Cox Hamilton. And neither aunt on the same side of the house. He and both named John Henry. John & Jane Reichold were my great-grandparents.

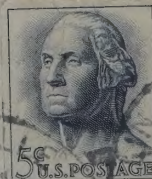

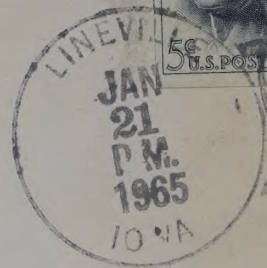

Mrs. King, there was no day of month this on the record I have of James O. Reichold. Also great-grandfather John & wife's wedding was just "24th of 1837". Our cousin, Mrs. John Reichold is very much interested in the genealogy of their name. John & his wife's father is the father of John Henry. John's husband is a carpenter and they live at Fort Collins, Colo., 2300 Wisconsin. I think they are still at Ft. Collins. I don't know whether she has any more dates than I have but if you would like to write to her I am sure she would be glad to give them to you. John is another grand-daughter of Mary Jane Reichold Cox.

John Reichold was born Jan. 15, 1838; died Sept. 15, 1888 and was buried in State Co., Calif., near a little town called San Point. Jane Cox (or O'Connor) was an Irish lady who was born May 22, 1810; died Jan. 20, 1890; was buried the fall, 1891. John and Jane Reichold were living in California at the time of John Reichold's death. Jane Reichold came back to Harvey Co., Mo. and lived with her mother, Mary Jane Reichold Cox all her death. She was buried in the Lutheran cemetery in Harvey County, Mo., southeast of Lincoln. I do not know where the Reicholds lived before coming to Mo. There records were copied from Granville's Mary Jane Reichold Cox's sister. John & Jane Reichold were the parents of 11 children. Some of their children moved to Calif. I am not married. My name is John E. Brown and my bachelor brother and I live in Lincoln. Our address in Lincoln, Iowa, 801 N. E. Cox street. Elizabeth Jane Cox was the daughter of A. H. Cox and Mary Jane Reichold Cox. I never was interested in the family tree until it was too late to find out much about time and place where Jane & John Reichold came from.

Dear Mr. Rockhold:

Recently discovered that I failed to send you the pictures with the other Rockhold material. Was having some xeroxing done, so thought I would try and see if they would come off - and I think them came off very well. So will send, and you can just keep this.

Have really been busy with genealogy this winter. Have so many letters from young people just starting. I have the information they need, so have been having a lot of xeroxing done for them. (no more letters on Rockhold).

This is NOT a reminder! Keep the Rockhold material as long as you wish.

As ever,

My husband has been having more heart problems. Was in a Tulsa hospital for a few days. Thought he was going to have to have a pacemaker - but some medicine he was taking was working the wrong way!

From Mrs. Daisy Bunch, Nov. 25, 1950:

"Many years ago I was riding to Chilton in a spring wagon with my father-in-law, Hank (Hamilton) Bunch, and as we passed Stokes Mound, he pointed to some graves and told me they were some Bunch graves, and one of them was Jim Bunch. These graves are on the north side of a dividing fence that runs east-west just north of the mound, and near the west fence; in other words, in the southeast corner of the small pasture that is on the north side of this dividing fence, and against the road. At that time there was a fence around them, but it has been gone for many years."

From Mrs. Ida (Rosenfeld) Bunch, 1956:

"I have always been told that Orlan's father, Jim Bunch, and one of her brothers were buried at Stokes Mound."

From Mrs. Stella (Rosenfeld) Bunch, Okmulgee, Okla., 1956:

"Your great-grandfather was buried in the yard of a church I believe called Stokes Mound under a very large tree. I've once shown me the place. She said I'm sure he was there."

From Mrs. T. J. (Marie) Orlan, Canton, Mo., 1959:

"There is an Indian graveyard on top of Stokes Mound."
"I am told that there is an Indian burial ground at the foot of Stokes Mound hill. Also an Indian woman and child buried there."

I have heard told that Uncle Hamp said that when his mother, Elizabeth Wild, died that they lived near the cemetery and that they carried the body to the cemetery and he was just a boy and they walked behind the casket.

The records show that my grandfather Humphrey was born Sept. 5 1841, and I have a letter from Laura (Sperry) Collier (her mother was Sarah Elizabeth Bunch, telling that Elizabeth Wilds died young after giving birth to a baby girl who also died. My grandfather was the youngest living, so she wrote. She is past 95 and her daughter wrote for her. I'll copy what she wrote about the family:

I will tell you what she remembers about the Bunches. She doesn't know if your Grandfather's parents were married in Kentucky or not but supposed they were for that is where they came from when they came here. The grandmother's name was Elizabeth Wiles or Wilds. She isn't sure how it was spelled and she is buried in Perry cemetery in Ray or Grundy Co. Grandfather, George Bunch, buried in Bentonville cemetery. Their children:

Harvey Bunch, buried in Atchison, Kansas.
Garet, married Polly Wilson.
Marsh, she knows nothing about him.

Mary - Rockhold.
Sara Elizabeth - Sperry - born in Kentucky, 1829.
Sis (Palmyra), married Will Trosper, brother to Elizabeth Trosper.

Their mother was quite young when she died shortly after giving birth to a baby girl who also died.

Grandfather, George Bunch had two brothers, Jim buried over by Stokes Mound, and Sam Bunch his older brother. When they got to St. Louis him and his family and also his mother went in a different direction and they never heard of them again."

My mother always told us that her mother, Orlena Oregon (Bunch) Hudson, had lost her mother when she was 3 years of age, and her father when she was 5, and that she had 5 "own" brothers; that she had been raised by a family by the name of Hoover, and that she was of Scotch, Irish (Scotch-Irish?) and French descent.

From Mrs. Maggie (Hudson) Fitzwater, 1956:

My Mother's Mother died when Mother (Orlena Bunch Hudson) was 3 and her Father died when she was 5. The Hoovers, who raised her, were good friends and close neighbors (?). Mother had 5 own brothers. The Hoovers only took her as the boys were old enough to care for themselves. Two of them fought in the Civil War and one was killed and the other died shortly after the war. Mother had a half-sister that married an Ashpy but can't remember her name. There was a Carrie Ashpy but can't remember who she was. I think they lived in Sugar Tree Bottom. The Hoovers lived south and east of Norborne about 5 or 6 miles, or about 2 miles due south of Sugar Tree. There were no half-brothers that I know of, and the only names I remember are Newton, John and I think Carl, who I believe lived to be grown and was in the Civil War. John was in the Civil War, returned, married and had two daughters Sally and Alice. As to Newton, before I was ever married he was living in St. Louis, Mo., working in a box factory. His wife's name was Julia. Newton had a wooden leg; he was in an accident when the buggy turned over he jumped and injured the leg to the extent that it had to be amputated. He had no children.

It has been handed down in our family that our grandfather, John C. Bunch, was related (1st cousin?) to the Bob and Sebe Love for whom Love County, Okla., was named. They were Chickasaw Indian.

From Marie Garland, Okla. City, Okla. 1958. Historian, Chickasaw Love Family.

"Robert (Bob) Love was the youngest son of Thomas Love and his second wife, Hemahetey. Sebe Love was the son of Henry Love the eldest (?) son of Thomas and his first wife, also Indian, but name unknown. (It may have been Sally, but have found no real evidence). I have found no mention of Bunch in the Love family records. Robert H. Love, 1818-1887, and his nephew "Sebe" Overton Love, 1823-1906, from Mississippi, were among several Love families, Chickasaws, settling in the area of Love County. Different families claim the honor of having the county named for them, but I am inclined to divide it between Bob and Sebe."

It has been pointed out in our family that our grandfather, John O. Church, was related (as cousin) to the Rob and Gabe Love for whom Love County, Ohio, was named. They were Chickasaw Indian.

From Marie Garland, Ohio, 1960. Ohio, 1960.

"Robert (Bob) Love was the youngest son of Thomas Love and his second wife, Homabetsy. Gabe Love was the son of Gabe Love (?) and of Thomas and his first wife, (also Indian, but name unknown). (It may have been Sally, but have found no real evidence). I have found no mention of Gabe in the Love family records. Robert R. Love, 1818-1877, and his nephew "Gabe" Overton Love, 1825-1906, from Maryland, were among several Love families, Chickasaw, settling in the area of Love County. Different families claim the honor of having the county named for them, but I am inclined to divide it between Bob and Gabe."

Overton Love, age 71, 1/8 blood Chickasaw.

(To be Continued.)

Before the opening of Lomax's store, the farmers loaded wagons with skins of all kinds, such as deer, coon, mink, muskrat with venison, hams and honey and departed for the river towns of Brunswick, Glasgow, Richmond and Lexington, returning with a winter supply of groceries, flour and whisky. Lomax hauled goods from Richmond with ox wagons. Goods were hauled ten days from Glasgow at 60 cents a hundred pounds.

The first horse mill was set up by James Baugh in 1836. His first customer furnished his own horsepower and Baugh collected one-eighth as toll.

Government land sold for \$1.25 an acre at this time, but the financial crash of 1837 completely demoralized values and prices shrank to an alarmingly low ebb. The opening of the Platt purchase diverted the flow of settlers into the Grand river country and increased the value of its land. The money of the country consisted of skins, honey, beeswax, and occasionally Spanish and Mexican dollar. Wolf scalps were popular and were easily convertible and readily accepted. The government offered a bounty of \$10 a scalp and this gave them their value as a medium of exchange. The hoarded silver was scarce and its main use was to buy land at the government land office. The standard of values can be seen by quoting an article read by George H. Hubbell at the Fourth of July celebration in the centennial year, 1876.

"The situation as regards general prosperity had improved somewhat in several years. The mountains were still covered with snow, but the price of goods and provisions was lower than in the previous year. It was the prospect for a better day, and the people were more cheerful than what I found. In 1842 I paid for a cow, a calf, a pig, a sheep, and a goat for a good cow and a calf in the morning, and a pig in the afternoon. He had no \$100 others could be purchased for \$25. Working men were down on almost nothing, and buying a cow, a pig, a sheep, and a goat. As regards to weight, were held at the end of the year of \$25, to \$30, neither were they full of richness. Game was scarce, only brought for 25 cents a bushel, corn, 50 cents per barrel, delivered, and a good year. You could go out into the woods and cut down a bee tree, gather the honey, bring it to market, and you got 25 cents a gallon for it. The wolf skins were forwarded and gave us then skins at 25 cents each, and the skins were clinched by taking the skin also, which, when not used up, was used for patches, brought another quarter. It was also a habit for farmers to help each other, and their sons to work to the harvest field, to do the logging to prepare for a new seeding. This was a source of wealth for the early settler and to his rising family. They took in 25 to 50 cents a day

for the use of their future prosperity. It was a hard time, and it was marked with scrupulous honesty. The people were not poor, but they could not afford to be. A day's work meant labor in all its roughness, and the old-time plow, with two yoke of oxen, would pull on that rail, were made at 25 cents a rail, and the rails at 25 cents a hundred! It is a hard time, and it is a hard time to remember in the first year of what the old money had or received for labor.

One of the first records, was given by John Rockhold, in favor of Capt. Jarvis Woods on a horse. He had wanted to ride Woods' horse, but did not have the money. He had a paper, but his house was made of logs hewn flat on one side and Rockhold, reaching into the fire for a piece of charcoal, wrote on the paper, which I will pay when I come back. Signed, John Rockhold."

The "solid note" which was "signed out" on the return of the horse was given by John Rockhold.

THE YEAR 1840

The year 1840 was a practically every pioneer. Wherever the population of the county. The census of 1840 is selected as a good point. It was the first written record of the early years following Grundy county was organized, and such a record does not appear again until the census of 1850. Only a few names are given. It has been only recently that this record has been obtainable, photographed on microfilm from the records of the enumerator which were written in the original. Time has dulled the writing and for this reason there are a few mistakes in the spelling of the names. May it be of value to genealogists of future years. At that time, Grundy was a part of Livingston county and some of those who have been residing on the border of that county.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Some years ago, in order to reduce the cost of our service and to decrease the likelihood of copying errors, we discontinued the practice of transcribing genealogical information from the records and adopted, instead, the practice of furnishing photocopies of the original documents for a fee. This practice has proved, on the whole, satisfactory to our patrons.

Now, in order to reduce the average amount of fees and to speed up our service, we have installed a flat fee system.

Please use the reverse of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

- a. United States military service before World War I and Confederate military service;
- b. United States (not Confederate or State) pensions claimed on the basis of service before World War I; and
- c. United States (not State) bounty lands claimed on the basis of service before 1856.

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a file for the person identified by your order, we will send photocopies of the documents we think most likely to be of interest to you. If we do not find a file that we can identify with the person in whom you are interested, we will refund your money.

EXPLANATION FOR RETURN OF ORDER

1. We are returning your order because:

- a. ☐ You did not provide enough identifying information to make a search.
- b. ☐ You did not give us the name of the State from which the soldier served and, as there is no consolidated index to the compiled military service records of Union soldiers, we are unable to make an effective search without this information.
- c. ☐ We have found no pension file for a veteran of the name you gave.
- d. ☒ We have found no pension file for a veteran as described by you.
- e. ☐ We have found no military service file for a veteran of the name you gave.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

- a. United States (not State) pensions claimed on the basis of service before World War I;
- b. United States (not State) bounty lands claimed on the basis of service before 1856;

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

Hicks-Brown Wedding Held

Linda Brown, daughter of Mr. and Mrs. Raymond Rivers, became the bride of Joe W. Hicks, son of Mr. and Mrs. Jess Hobbs, in a candlelight ceremony Oct. 20 at the First Church of God. Rev. Jim Hitchcock, pastor, read the vows.

The bride was given in marriage by Harold Lay.

She wore a floor-length gown accented by candlelight lace and pearls with a full skirt.

Her veil was finger tip with a cap of pearls separating the illusion. She carried a bouquet of yellow roses, blue carnations and white daisies with white streamers tied in love knots.

Sona Hicks was maid of honor and Donna Hicks was bridesmaid. Both are sisters-in-law of the groom. They wore formals accented with candlelight lace and carried bouquets matching the bride's.

The groom wore a pastel blue suit accented with white roses. Randy Hicks served his brother as best man and

Tim Hicks, brother of the groom, was groomsman. They wore contrasting blue suits. Sam Hicks, Nowata, and Lewis Hobbs, Caney, Kan., served as ushers.

Judy Hicks and Jeannine Hobbs were candlelighters.

Flower girl was Dawnya Jackson and Jesse Hobbs was ring bearer. Colene Stipe played the wedding music and Mr. and Mrs. Lee Jackson sang.

A reception was held following the ceremony. Sheela Giles, Claremore, and Sheela Wilson, Nowata, served.

Lori Hawkins kept the guest book.

After a trip to the Missouri Ozarks and Silver Dollar City the couple will be at home at Lawton where Hicks is stationed at Ft. Sill with the U.S. Army.

Dear Mrs. King,

Some time ago a friend gave me an article you had in the "Researcher" pertaining to the Rockhold family. I don't know the date of the issue, so you may not even receive this.

My husband's mother was May Kathryn Rockhold, daughter of Jubian and Leonora Kirtley Rockhold. The names you had listed are related, and I will send you a little information that I have taken from some old County History Books. I have been working on 2 other lines in the family, & haven't gotten to this according to "History of Caldwell & Livingston Counties, Mo. 1886," among the earliest settlers in Livingston Co. around Utica, Mo. ~~Living~~ was John Rockhold, 1835 (land entry) & Alfred Rockhold 1837 (land entry), Loyd Rockhold 1838 (land entry - Caldwell, Co.)

There is a McCreary Cemetery not far from the Bryan home place, which is in Livingston Co. The Bryans were Irish and settled in White Co. Tenn. so they must have known the Rockholds there. Also, there is a woman in Chillicothe, Mo. who has done research on Livingston Co. and has booklets for sale.

Will be looking forward to hearing from you.

1886" among the earliest settlers in Livingston County around
Utica, Mo., was John Rockhold, 1835 (land entry); Alfred Rockhold,
1837 (land entry); Loyd Rockhold 1838 (land entry, Caldwell Co.).
There is a McCoskey cemetery not far from the Bryan homestead,
which is in Livingston Co. The Bryans were Irish and settled in
White Co., Tenn., as they must have known the Rockholds there.
I might be able to find someone you could contact around Utica
or Ladlow, Mo., for more information. Also, there is a woman in
Callistothe, Mo., who has done research in Livingston County and
has books for sale.

Will be looking forward to hearing from you. Respectfully,

Mrs Garland B. King

Dear Mrs King,

My wife & I just returned from a trip and found your welcome letter. I've exchanged several letters recently with C.W. Rockhold, 96 South 18th Noblesville Indiana 46060, I'm sure he's the one who has your records. He claims to have 4 books of records on the Rockholds and intends to eventually publish a book. In my correspondence with him he seems to want more than this willing to give. I'll tell him of your letter to me but suggest you write him yourself again at the address I've shown.

you'd like everything you're willing to share and I assure you I'll copy it and send back your originals!

Thank you.

Sincerely,

A. R. Rockhold Jr.

Dear Mrs King,

I am one of the sons of Howard Rockhold who was a son of James B, son of James C whose bible record along with his fathers Loyd Jr you sent to The Researcher in Chillicothe, mo. some years ago. The attached letter to my brother sparked my interest in geneology as well as trying to locate Lillie or her heirs. I've sent numerous letters to Rockholds across the country trying to locate them - so far without success. I've told she was born in 1879 - never married - had one sister Lucy, born in 1878. The oil & gas lease is in Lincoln Co okla. when Permian purchased the lease in 1972 they never got an address for Lillie so her 1/32 interest has been held in suspense all that time. If you know of her or her heirs - who might by now be cousins or their heirs - please let me & them know.

I would appreciate very much if I could get copies of what you have on our geneology and of course I'll re-emburse you for it. Could I also get Dora E Brown's address (I suppose she's married now?). I'm afraid I've not gotten far enough to answer questions you asked in The Researcher but have data from several others & hope eventually to tie us all together.

Sincerely,

H. R. Rockhold Jr.

Dear Ms. Lamont,

I am not acquainted with the party in question. However, my brother Howard has done considerable research into the family tree and by copy of this letter I am asking him to assist you.

Dear Mrs. King:

I am anxious to know what relation you are to the Rockholds. A few years ago I corresponded with great-grandmother's granddaughter, her mother was Elwysey Rockhold Maupin. Elwysey died and great-grandmother raised Elizabeth Maupin. They took her when she was five months old. Great-grandmother was 63 years old when she took a tiny baby to raise. In early days in Calif. an Indian mother died and left a tiny baby. The father came to Loyd & Jane Rockholds home and asked if they would take care of his son. They told him they would if the Indians would never molest them. They raised this Indian boy, his name was Mose McKinsey. They also kept a little Indian girl in their home for awhile, her name was Dora Hagan. Elizabeth Maupin Null wrote me about the Indians. Loyd Rockhold went to Calif. in 1849 during the gold rush. He and another man had the gold panned or whatever it was called. And one night the other man stole great-grandfather's gold and tools. He had to get more tools and start all over again. He vowed if he ever saw the thief he would kill him but when Loyd came back to Missouri this man had gone blind. Loyd said God had punished him enough. Uncle Tom Cox told me this story when he visited us in (?1933/1953?) I believe it was. Our grandmother Rockhold-Cox raised 9 children, all have passed away, were very dear aunts and uncles to us. Uncle Jimmie Rockhold's daughter, Sarah Wooden, visited grandmother Cox when I was a girl. She was Clarence's aunt. These dates I have are not complete, but that is all I have of Loyd & Jane Rockhold's children. They might have come from Ky. to Mo. I do not know. I am 67 years old and don't have very good health since moving to town.

We have a cousin H.M. Cox, 2408 W. 9th, Los Angeles, CA. I don't know whether he would know anything about dates. Mrs. King this is a rather jumbled up letter but I am having trouble with my left eye and don't feel like re-copying it. I hope you can find some one to help you. Dora Manfart typed the dates of the Loyd Rockhold family for me.

Mrs. Dora Mastert, 2206 Elizabeth, Fort Collins, Colo. I suppose that is a street number. Dora and I are both named for Aunt Dora Cox Hampton. And another aunt on the Brown side of the house. We are both named Dora Eleanor. Loyd and Jane Rockhold were my great-grandparents.

Mrs. King, there was no day of month date on the record I have of James C. Rockhold. Also, great-grandfather Loyd and wife's wedding was just "fall of 1827". Our cousin, Mrs. Dora Mestert, is very much interested in the genealogy of their ancestors. Dora and husband religious faith is the Latter Day Saints. Andy, Dora's husband, is a carpenter and they live at Fort Collins, Colo., 2206 Elizabeth. I think they are still at Ft. Collins. I don't know whether she has any more dates than I have but if you would like to write her I am sure she would be glad to give them to you. Dora is another granddaughter of Mary Jane Rockhold Cox.

Loyd Rockhold was born Jan 15 1808; died Sept 15, 1884, and was buried in Shasta Co., Calif., near a little town called Gas Point. Jane Connor (or O'Connor) was an Irish lassie, was born May 22, 1810; died Jan 20, 1890; were married the fall of 1827. Loyd and Jane Rockhold were living in Calif. at the time of Loyd Rockhold's death. Jane Rockhold came back to Mercer Co., Mo., and lived with her daughter Mary Jane Rockhold Cox til her death. She was buried in the Laughlin cemetery in Mercer Co., Mo., southeast of Lineville, Iowa. I do not know where the Rockholds lived before coming to Mo. These records were copied from Grandmother Mary Jane Rockhold Cox's Bible. Loyd and Jane Rockhold were the parents of 11 children. Some of their children moved to Calif. I am not married. My name is Miss Dora Brown, and my bachelor brother and I live in Lineville. Our address is Lineville, Iowa, PO Box 21. Our mother Elizabeth Jane Cox was the daughter of J.W.B. Cox and Mary Jane Rockhold Cox. I never was interested in the family tree until it was too late to find out much about time and place where Jane & Loyd Rockhold came from.

ONE BRANCH OF THE ROCKHOLD FAMILY

Compiled by Mrs. Garland B. King, Rt.1, Box 256, Nowata, OK. 74048.
Records as of February, 1984.

This branch of the Rockhold family begins with Dorsen Rockhold who was born in Maryland about 1750, married there, and most if not all of his children were born there. By 1792 he was living in Washington County, North Carolina, in that part which later became Carter County, TN (1796). He was enumerated in the 1830 census of Carter Co., TN, aged 70-80, wife aged 60-70. Much of the information on Dorsen Rockhold and his family was sent to me a number of years ago by Robert T. Nave whose address I have lost. About 8 years or so ago I loaned my Rockhold material to a C.W. Rockhold, of Rt.3, Box 28A, Noblesville, Ind. 46060. I did not receive it back, nor have I been able to contact Mr. Rockhold. This record is being written from what information I had copied off on a family group sheet.

The wife of Dorsen Rockhold, so Mr. Nave had thought, was probably a daughter of a Loyd Ford, Sr., or of a Loyd or William Wood.

Children: (An "*" indicates more information on following pages).

1. William W. (Woods?) Rockhold, born probably about 1778; m. about 1810, Harriet Netherland. Wm. was enumerated in the 1830 census of Sullivan Co., TN, aged 50-60, with one son and five daughters; also one man, aged 80-90.
- *2. Charles Rockhold, b c1780, Maryland; living in Knox Co., Ky by 1810; Whitley Co., 1850; wife was Elizabeth ?.
- *3. Loyd Rockhold (Sr), c1781, Maryland; married 31 Oct 1803, in Carter Co., TN, Elizabeth Buck, dau of Jonathan Buck.
4. Francis W. Rockhold, b c 1782; married 28 Aug 1805, Carter Co, TN, to Mary Smith. Francis was enumerated in the 1830 census of both Washington & Sullivan Co's., TN., aged 40-50; wife aged 40-50; 3 sons and 6 daughters.
5. Thomas Rockhold, b c1784; enumerated in the 1830 census of Sullivan Co., TN, aged 40-50; wife aged 30-40; 1 daughter.
6. Hannah Rockhold, married 26 Dec 1797, Carter Co., TN, to Jacob Hyder. They were enumerated in the 1820 census of White Co., TN, both aged 26-45, with 5 sons and 5 daughters. Hannah was probably one of the oldest children.
7. Ruth Rockhold, married 17 Apr 1817, Carter Co., TN, to William Matlock. Nothing further.
8. Elizabeth Rockhold, married 29 Mch 1821, Carter Co., Tenn., to Bethuel Buck. Robert Nave thinks it possible that Elizabeth may be a granddaughter. Nothing further.

ONE BRANCH OF THE ROCKHOLD FAMILY

Compiled by Mrs. Garland B. King, Rt. 1, Box 256, Nowata, OK. 74048.
Records as of February, 1984.

This branch of the Rockhold family begins with Dorcas Rockhold who was born in Maryland about 1750, married there, and most if not all of his children were born there. By 1792 he was living in Washington Co., TN, North Carolina, in that part which later became Carter County, Tennessee. He was enumerated in the 1830 census of Carter Co., TN, aged 70-80, wife aged 60-70. I am of the information on Dorcas Rockhold and his family was sent to me a number of years ago by Robert Nance whose address I have lost. About 8 years or so ago I loaned my Rockhold material to a G.W. Rockhold, of Rt. 3, Box 284, Nokesville, Ind. 46060. I did not receive it back, nor have I been able to contact Mr. Rockhold. This record is being written from what information I had copied off on a family group sheet.

The wife of Dorcas Rockhold, so Mr. Nance has thought, was probably a daughter of a boy Ford, Sr., or of a boy or William Wood.

Children: (An "*" indicates more information on following pages).

8. Elizabeth Rockhold, married 29 Nov 1821, Carter Co., Tenn., to Robert Nance. Robert Nance thinks it possible that Elizabeth may be a granddaughter. Nothing further.

Charles Rockhold, son or Dorson Rockhold, was born about 1780 in Maryland, was living in Knox County, Kentucky by 1810 (census), with 2 sons & 1 daughter, all under 10 years of age. Two others sons, Charles, Jr., and Talbot, came later and settled in Wayne County, Iowa. There is a small town called Rockholds about six miles northeast of Williamsburg, the county seat of Whitley county. This is probably the area in which this Rockhold family lived. Census records give the birth state of the children variously as Kentucky and Tennessee. Both are probably correct, as there is a strip of land across the southern boundry of Kentucky that at one time was part of Tennessee.

Children of Charles and Elizabeth Rockhold, of Whitely Co., Ky:

"Garrett Bunch died at the residence of his son-in-law H. A. Luckens in this city on Sunday April 7, 1901 at 11:30 o'clock p.m. aged 73 years 8 months and 11 days. "In Memoriam". The subject of this sketch, Garrett Bunch was born at Barboursville, Ky. July 20, 1827 and died at his home in Bentonville, Ark. Apr. 7, 1901. When but a child he was moved with his parents to Davis co. Mo. where he grew to manhood and where, on the 26th day of Nov. 1854 he was happily married to Mary C. Wilson, who survives him. In 1866 he moved to this county where he continuously resided to the date of his death.

Besides his widow and a host of devoted and loving friends, he leaves to mourn his death four daughters, Mrs. H. A. Luckens, Mrs. Wm Wood, Mrs. Bettie Cobble and Mrs. Mollie Rife and also a large circle of grandchildren and great grandchildren. He was the father also of the late Mrs. J. D. McAndrew and of two other children, one of whom died at the age of six months and the other at the age of seven years.

Brother Bunch had passed the allotted time of man on earth, having almost reached his seventy-fourth year, and was ripe and ready for the great and mysterious change, but yet what a great and ~~mysterious~~ Trial of sorrow and affliction it was to the hearts of his devoted wife and daughters and other loved ones to have to give him up. Who that ever witnessed such sad yet beautiful scenes at his dying bedside presented, or has tried to fathom or understand that mighty passion of self-consuming love which burned in the hearts of his weeping wife & children.

In 1863 Brother Bunch gave himself to the Lord by assuming the vows of the Methodist church. For many years he was greatly afflicted by almost total loss of hearing, and was thereby deprived of the privileges of the public services of God's house, but we cannot doubt that his religion was a source of great comfort and joy to him. He loved the association and companionship of his loved ones here devotedly, but he loved and trusted God, and so yearned for freedom from the afflictions and limitations which bound

and burdened him here, that, not withstanding he felt that
"shrinking from the cold hand of Death" which is natural
to us all, at times he was almost ready for the great change
a good man has gone to his reward. We can not doubt
that it is well with him. Truly may his loved ones
feel that their great loss to his blessed and eternal
gain. May God bless them, each and all, and bring them
at last to the blessed reunion in the God built home above

Dear Mrs. King:

I am enclosing the charts which I used to have some research done in Ray County. Think they should set out all my Ray Co., Mo. ancestors clearly. To my knowledge, I am not connected with Dr. Rowland - but I know nothing more of Mary Ann Rowland than that she married Thomas L. Teegarden Jan. 13, 1857 Ray Co., Mo. and apparently they lived Ray County till after 1893 where he died. She must then have removed to Dallas County with son Winfield and she died in Dallas County 1907/08.

As for the Wilson family, as you can see from the Chart I cannot prove that Elizabeth is the daughter of Levi Wilson but have not checked Grainger Co., Tenn. to see if I can find her marriage to William Bailey - perhaps her name was Mary Elizabeth which would account for the 1850 census indicating her name as Mary. Miss Effie G. Wilson of Marrowbone, Kentucky gave me the following which she found in Grainger County while searching for her Wilson ancestors:

Grainger County, Tennessee - file box 47 - will of William Wilson
dated October 19, 1800. Names wife Sussana Wilson
son Levi Wilson
son Israel Wilson
young children mentioned, not named

Teste _____ Eli Wilson

Mrs. Harry G. Thompson, Jr., 511 North Frame, Hamilton, Missouri 64644 was great-great granddaughter of Levi Wilson b. 1779 and migrated from East Tennessee, Campbell County to Ray County, Missouri in 1820's. His wife was Martha Combs. (This from Miss Wilson who indicated that Mrs. Thompson had family Bible listing all of Levi's children, dates, etc.) I wrote to Mrs. Thompson who answered that she had copied from Bible in possession of someone who had died. I have asked her for a copy of the Bible Record but have not received same.

From the Kincaid cemetery listing of Ray County (available from courthouse)

26. Mack C. Wilson b. 1866 died 1948
27. Zilpha A. Wilson, his wife b. 1873 died 1960
51. James E. Wilson b. 1894 died 1926
52. W. S. Wilson born March 18, 1805 died April 23, 1900
53. Lucretia Wilson his wife July 26, 1847 - June 7, 1919
66. William S. Wilson, son of Levi and Martha Wilson born 3-18-1805
67. James W. C. Sr. Wilson, son of Levi and Martha Wilson. Emigrated to Missouri in 1829 born Feb. 16, 1808 died Aug. 23, 1901
68. Sarah B. Wilson wife of Eli Wilson. Age 95 yrs. 5 mo. died Jan. 18, 1870
69. Martha Wilson, wife of Levi Wilson. Age 95 yrs. 6 mo. died Mar. 11, 1883
70. Levi Wilson, age 83 yrs. 8 mo. 12 days died Jan. 16, 1863

I hope perhaps this Wilson data might be of use to you. If you have anything which would help me with the Wilsons, would be glad to have same, or anything on any of my other families. I believe I do need to check the 1850 census Ray County - I could probably pick up the parents of Mary Ann Rolland. I have census on Teegarden-McKown-Bailey from a researcher in Ray County.

Thank you very much for your card. If you see anything that looks as if it might be something you are interested in, I will be glad to check to see if I might have anything further along that line.

Sincerely,

Dear Mrs. Franklin:

I am sorry that I have not made further progress on the Wilson family but it seems the days are not long enough. However, I have nothing new to report to you.

I just re-read my notes and your letters and I am afraid I have nothing which will further your knowledge.

The Susan Harlow bit is very interesting and bears further looking. I have nothing on Tennessee Harlows, but one never knows. Mine have all been in Kentucky, so far, but there are three Susans. It seems names tend to be handed down in families of days gone by.

Thankssso much for your correspondence. Just wish I could be of help. I shall certainly keep you in mind if I should come across anything.

Sincerely,

Mrs. Harry G. Thomson, Jr.
511 N. Frame
Hamilton, Missouri 64644

P.S. Just discovered that you have birth date of Elizabeth Wilson as about 1807. If this is incorrect she would not be the daughter of Levi, I am sure. Levi had a brother Eli who also came to Ray County, but I have never traced his children. That might be a try for you. I definitely have all of Levi's children so I am sure Elizabeth is not his daughter.

*Miss King, can you find an
Elizabeth Wilson or Mary Elizabeth
in your Eli families old enough to
marry ca 1826 & not accounted for?
I still think Levi is right but will
have to work on it - I wrote Brainerd
Cato see if I could find this marriage -
now a correspondent tells me David (over)*

Bailey died 1830 Roane Co, Tenn
will shows son Wm - could be
my Wm. who m. Elizabett or Mary
Elizabett Wilson. David + Isaac Bailey
were on 1805 Tax list Roane Co, Tenn.
— Eva Franklin

This lady has never furnished
any information on Levi Wilson though
I have asked so I do not know how
she arrives at conclusion that Levi
could not have had dau Elizabett or
Mary Elizabett who m. William Bailey

Roy Sperry Died Of Cerebral Hemorrhage

Roy Sperry, 79, died at 10 o'clock Thursday night at his home in Jamesport. Death was attributed to a cerebral hemorrhage which he suffered April 21.

Mr. Sperry, a former Carroll countian, was first married to Edith Knox in July, 1901, and she died November 6, 1953. On August 6, 1954, he was married to Mrs. Estella Hall of Jamesport, who survives.

Besides the widow, Mr. Sperry leaves two sons, Richard Sperry, Chillicothe, and Alvis Sperry, Tina; a daughter, Mrs. Leta Corf, Tina; two step-sons, Oris Roberson, Jamesport, and Oral Roberson, Kansas City.

Other survivors include a brother, Fred Sperry, Bogard; a sister, Mrs. Maud Graham, Fowler, Colo.; eleven grandchildren and fourteen great-grandchildren.

Until the last three years when he lived at Jamesport, Mr. Sperry spent virtually all of his life in Northern Carroll.

A short service was held Friday afternoon at Jamesport. The body was then taken to the Alvis Sperry home to lie in state. Funeral services were at 2 o'clock Sunday at the New Salem church.

The Rev. E. C. Vanderpool of Bogard conducted the last rites. Interment was in the New Salem cemetery. Music was furnished by the choir of the Oakland Christian church.

Dear Cousin,

I was so very glad to get your wonderful letter! I do agree with you about how nice it is getting to know distant cousins thru tracing the family tree.

Where does your half brother, Claude live? Is he any where near the counties in Mo. where you mentioned I might try to check on Mary Elizebeth Wild? It is so hard to write letters for something that I'm not sure of what I need to know. I have written letters since 1954 concerning this and I'm almost "writ" out! So many times people never answered or just or just scoffed at my letters. I was so discouraged untill Mrs. Trussell wrote and then you. I could hardly belive my good luck!

Your letter was extremely warm and interesting. If you don't mind I am making several carbons to send to people that be able to help fill in more of the information. I have written my father and two great uncles concerning "Dod" Sperry. I live very near where they used to live and the first chance I will go see the county clerk and get all the information I can on them. Also the Trosopers lived near here. I will try and get photoes of any of their grave stones I might find.

Concerning your mother's name, Neal (Cornealia), my father's middle name is Cornileous and my Grandfather's first name was Neal; there may not be any conection, but it was interesting as I have noticed many of the names passed on down thru the family.

I would like to thank you for the records for they must have caused you a lot of trouble. I would like the add. of wher I could obatin more. I am waiting to hear frome more people before I finish filling them out.

Incidentally, in one letter from Gerald Johnson, he said he thought that around 1929, he saw a letter to his moter, Hannah Alda Plaster Johnson received a letter from Wasington D. C. stating she was in heir to a sum of 2 Million dollars at that time. This letter among many other valuables was lost in the fire.

What do you hear from Carrie Wittman?

I have finally contacted Gerald Johnson. He lives some 12 miles from Shaniko. He is trying to sell out so I had better go see him as soon as I can. They wrote in their last letter that the lawyer we seek is in Washington D. C. , but for some reason they are unable to get his add. from his old law partner. We are going to still try however.

I am really looking forward to the picture of yourself and of the Mound. That was sure a good idea you had of using the black chalk on the gravestone to make it easy to read, I'll have to remember that.

Yes I'd love to exchange records with you.

I am sending you a picture of my Great-Uncle Marcus Plaster that was taken the day of his dear wife's funeral. I would like to have it back, then I'll have one made for you if you'd like.

I also corresponded with Mrs T.J. Clark some years ago, but she was unable at the time to help me on the information.

I certainly hope some of my Indian blood will help me "track" these people down! I will send you all the information I get whether I think it will help or not, just to be sure.

I havn't heard from Cordie Trussell since I ansd. her letter so if she writes you, tell her I am anxious to hear from her.

Oh, yes something elce, the uncle Hamp who gave me Cordie's address, gave me one of a Bunch Hunley of Rt. 1, Bogard Rt., Mo. Have you ever heard of any one of that name?

Just today in looking thru some old family pictures of my fathers, I found this post card of a child and on the back it says Eunice Onetha Sperry - 3 years 15 days. that is all there is no date or message. Would you like a copy of it? Also I never saw her or him mentioned on the blanks, unless you have the name on some of yours. A few years ago my uncle Tom Plaster came and got ~~add~~ of my grandfather's belongings among which there were a lot more picture of Sperry's and a few Bunches if I remember right. I will write and see if he will send them to me and see if there is anything of importance or just some pictures you would like. Well I will sign off now and hope you write soon as I am anxious to hear more of the family tree.

Most sincerely,

Alicia P. Muma

This is from a letter I received March 12, 1961. It is from Gerald P. Johnson's wife, Eleanor.

"1. I do not know the late Daddy Aldrige all I know is that he had Alda's Bible- I think she let him store it for her after the fire in Shaniko when she burned out. Jerry isn't here so I am just guessing.

2. Whatever happened to all my information is beyond me- I kept it all in one drawer -but it wasn't too important except that it showed the family tree dating back to the party we are interested in.

3. When you wrote the U.S. Dept. of Indian Affairs in Washs did you mention H. (for Hannah) Alda Plaster Johnson as the name of the party the wrote to in re inheritance.

4. Alda said she couldn't do anything because she couldn't get the true name -when she was here about 6 mos. before she died. She swore on a stack of Bibles so to speak that there was this inheritance but she didn't have the true name. There was an Aunt, she told me, in Kansas City, Mo or in St. Louis that had the true name but she would not give out the information because she wouldn't admit she had Indian blood.

The following from a letter from a distant cousin in Tina, Mo. a Mrs. Jewel Turssell. Feb. 11, 1961.

"About my G*Grandmother- well there is another distant cousin, Mrs. Garland B. King, Rt. 1 Nowata, Oklahoma who is writnig a Bunch family tree and she has uncovered quite a lot of old family history- she says our G-Grandmother was Mary Elizabeth Wiles -was born in Kentucky - but I don't believe she has a tribe name but she might be able to help you." (This letter was signed Cordie Trussel)

This information came in various letters from Gerald P. Johnson of Shaniko, Oregon.

(This letter was from Gerald's Mother, Hannah Alda Plaster(Johnson) (Ross) Jerry says she was married twice.

"We have asked the folks back in Missouri and none of them knows any more than we do but we do know if we had the information there is plenty of money there for us. Do hope we can find out something .

Great Grandfather George Bunch married an Indian girl her maiden name was Wild or Wilde.

Their first child, Palmyra was born at Stokes Mound in Carrille Co.

Next children:

Garrett

Elizabeth- our Grandmother Bunch Sperry

Mary

Mamilton

Minnie

Humphrey

Our Great Grandmother Wild, Bunch died in Trenton Mo. and was buried in perry cemetery in Grundy or Ray C. don't know which.

Great Gtandfather Geo. Bunch was Buried in Arkansas. Do not know what town."

This letter was from Jerry's Mother also.Dated 3/9/55.

"Files have been checked in Carrloo County and so far this is what has been found:

" Sarah (?) Bunch was born in 1838 in section 9 of Stokes mound Township. There is no record of Palmyra." "

"All the names in the Bible that Carrie has is the Plaster family and what we want is the Bunch side of the family . "one of their names is in the Bible so there is no use to send it. I have told you all I know but I might find out where our Great Grandfather was buried by Aunt Laura. I'll write and ask her.""

This was written on the back of the letter and was almost unlegable.

" her name might have been Sarah Palmyra Bunch She was the first white child born at Stokes Mound Carroll Co. Mo. I know that this is Aunt Sis Trosper at Antone Oregon"

he got this information. He mentioned a lawyer in the Dallas, Tex. that he had contacted and had discussed the matter with. He even quoted a sum of \$10,000 each for my and all descendants. I tried to locate this lawyer, makes, but the telephone operator said she thought he had passed away. I can't reach Gerald Johnson either as it was some 4 years ago we talked and he has moved since then. All my letters have been returned that I wrote him. I will copy down exactly what have been given to me. This is from a letter that Aldo Plaster wrote her son Gerald. "Files have been checked in Carroll County and so far this is what has been found: "Sarah (?) Bunch was born in 1838 in ~~section~~ section 9 of Stokes Mound Township. There is no record of

Palmyra." This is from a letter
written on March 11, 1955 by Alida.
She says we have asked the folks
back in Mo. and none of them
knows any more than we do, but
we do know if we had the information
there is plenty of money there for
us. Great grandfather George Bunch
married an Indian girl. Her
name was (Wild) or (Wilde). Their first
child, Palmyra was born at
Stokes Mound in Carroll Co. Next
Children: Garrett
Elizabeth (an grandmother ^{Bunch} Sperry)
Mary
Hamilton
Minnie
Humphrey

Our great grandmother (Wild) Bunch
died in Trenton Mo. & was buried
in Perry Cemetery in Grundy or
Ray (Roy) Co. Don't know which.
Great grandfather George Bunch
was buried in Arkansas do not
know what town."

This is copied from a letter
Gerald wrote us;

"Palmyra Bunch had the
same parents as Sarah. Sarah
Elizabeth Bunch is the Grandmother
of my mother's ^(Alda Plaster) and Buck's father ^{(Ralph (Buck) Plaster)}.
She married Daniel Sperry.

What we are trying to find
out is the ^{maiden} name of Sarah's
mother. Her father was George
Bunch and her mother Mary
Elizabeth Wiles. They said George
Bunch was supposed to be
of Irish descent and buried in
Arkansas.

"Uncle Sig said she was a Sauk
(must be Cherokee)." "It was
advertized in the Carrollton paper
that Palmyra Bunch was the
first white child born in Carroll
Co. Missouri at the foot of Stokes
mound."

This information all came
from Hannah Alda Plaster.

I hope this makes more sense
to you than it does to me.
Somehow they thought the name
was (Wied) instead of Wiles. It
must have been a mistake
in writing. I do not know this
"Uncle Sig" they speak of. Carrie
Plaster is said to have a large
family Bible, but no one has
been able to get it from her.
Her address is Mrs. Carrie
Wittman; 1304 Nth Harrison St.,
Pocatello, Idaho. I also think
there are some Bunch's
living in Thermopolis, Wyoming.

Please let me know if
there is any thing to this.
I have been trying to trace
the Plaster family tree, but I don't
know how to go about it. I hope
this finds you all in best health
and you will write soon.

Please send me some
pictures of you as I will
dearly appreciate them.

Sincerely

Distant cousin Alicebell Plaster Munro

Julia Bunch was now left a widow for the second time, and had four sons to raise, the youngest only five years old. She had many hard times. She had a hired girl, Laura (Sperry) Collier, (d 1965, age 101), who received \$1.25 a week for her work. They took the clothes to the creek to wash. Julia shopped at Plymouth, a little country store. Julia and her granddaughter Mary Bunch bought dress material for three cents a yard. She rode side saddle up the hollow and picked wild plums, mashed and dried them for winter use. ("The Wooden Family, page 186).

THE GLOBE-DEMOCRAT,

Rogers, Ark., December 17th (1885).

In the Spring of 1884 a difficulty occurred in Carroll County, Missouri between Jesse Glover and Humphrey Bunch, two farmers, the exciting cause of which was Bunch's cattle depredating on the fields of Glover. Bad feelings had existed between the parties for years previously, and culminated in this row, in which Glover killed Bunch, and made his escape. This morning Glover surrendered himself to Henderson Buck, a farmer of Benton County (Ark), who went to the county seat and called for the sheriff to receive the prisoner. Since the killing Glover had been a fugitive, and it is understood that officers from Missouri were hot upon his track when he surrendered. Both Glover and Bunch were former citizens of Benton County, Arkansas and each of them have relatives living here. Glover will be taken to Carroll County to stand his trial.

The deputy sheriff of the vicinity in which Glover surrendered brought the prisoner to Carrollton, Missouri, last Saturday night and Glover was immediately locked up in the county jail, where he will await his trial upon the charge of murder in the second degree as per indictment found against him by the grand jury in July, 1888. Only a few weeks ago the reward for his capture was withdrawn.

THE CARROLL RECORD

Carrollton, Mo., Friday morning, December 25, 1885.

JESSE GLOVER GIVES UP

Last Thursday night a telegram was received in Carrollton from Bentonville, Arkansas, to the effect that Jesse Glover, who murdered Humphrey Bunch, in this county, in April, 1884, had voluntarily surrendered himself to authorities in Arkansas. On Saturday the following special telegram appeared in the Kansas City Times:

KANSAS CITY TIMES, Saturday, December 26, 1885.

THE MURDERER OF HUMPHREY BUNCH, OF CARROLL COUNTY, ARRESTED -
- HIS WANDERINGS

Bentonville, Ark. December 18th (1885). Jesse Glover who shot and killed Humphrey Bunch a wealthy and influential citizen of Carroll County, Missouri, on April 13, 1884, surrendered to the officers yesterday.

He says that he feels greatly relieved and that he would rather be in the penitentiary than continue the life he has led since killing Bunch - during which time he claims to have traveled on foot over every one of the Western states and worked twelve months on a sheep ranch in Colorado. He also says that he left San Francisco two weeks ago and was shadowed by two detectives from this city to his mother's home in Arkansas. It is said that there was a reward of \$2,000 for his capture by relatives of Bunch and \$500 by the state.

Rogers, Ark., December 17th (1885).

In the Spring of 1884 a difficulty occurred in Carroll County, Missouri between Jesse Glover and Humphrey Bunch, two farmers, the exciting cause of which was Bunch's cattle depredating on the fields of Glover. Bad feelings had existed between the parties for years previously, and culminated in this row, in which Glover killed Bunch, and made his escape. This morning Glover surrendered himself to Henderson Back, a farmer of Benton County (Ark.), who went to the county seat and called for the sheriff to receive the prisoner. Since the killing Glover had been a fugitive, and it is understood that officers from Missouri were hot upon his track when he surrendered. Both Glover and Bunch were former citizens of Benton County, Arkansas and each of them have relatives living here. Glover will be taken to Carroll County to stand his trial. The deputy sheriff of the vicinity in which Glover surrendered brought the prisoner to Carrollton, Missouri, last Saturday night and Glover was immediately looked up in the county jail, where he will await his trial upon the charge of murder in the second degree as per indictment found against him by the grand jury in July, 1885. Only a few weeks ago the reward for his capture was withdrawn.

THE CARROLL RECORD

Carrollton, Mo., Friday morning, December 25, 1885.

JESSE GLOVER GIVES UP

Last Thursday night a telegram was received in Carrollton from Bentonville, Arkansas, to the effect that Jesse Glover, who murdered Humphrey Bunch, in this county, in April, 1884, had voluntarily surrendered himself to authorities in Arkansas. On Saturday the following special telegram appeared in the Kansas City Times:

KANSAS CITY TIMES, Saturday, December 26, 1885.

THE MURDER OF HUMPHREY BUNCH, OF CARROLL COUNTY, ARK. - HIS WANDERINGS

Bentonville, Ark., December 18th (1885). Jesse Glover who shot and killed Humphrey Bunch a wealthy and influential citizen of Carroll County, Missouri, on April 13, 1884, surrendered to the officers yesterday.

He says that he feels greatly relieved and that he would rather be in the penitentiary than continue the life he has led since his killing Bunch - during which time he claims to have traveled on foot over every one of the Western states and worked twelve months on a sheep ranch in Colorado. He also says that he left San Francisco two weeks ago and was shadowed by two detectives from this city to his mother's home in Arkansas. It is said that there was a reward of \$2,000 for his capture by relatives of Bunch and \$500 by the state.

Dear Cousins:

I'm trying write in my Christmas Cards & I seem to not be getting along too fast old age I guess. Dad had Birthday in Nov was 65. & I remember you & I are about same age.

How are you folks?
Granville is doing fine now. He sure had rough summer. He was in Chillicothe Hospital 9 days with light stroke & bad heart. Then July 25 he entered St Lukes Hospital in Kansas City was there 38 days. His heart quit beating 6 times & had to shock it each time. Finally they put double Pace maker in newest kind they flew it in from Minneapolis Minn. He has take lot of medicine & goes for blood tests every 3 weeks. So thankful he has recover so much
(Dory)

In May his oldest sister
burned to death in her
Mobile Home. It is believed
to be foul play but has not
been proved yet.

Arnold Dale & his wife had
baby girl in March born
month premature was in
Mercy Hospital with yellow
jaundice. In July they
separated so she only got
to see baby once since they

Mrs. Granville Sykes, Mrs. Bert Stewart, Mrs. Jesse Decker, Mrs. Hobart Hudson, Mrs. Velta Jenks, Mrs. Walter Jones and Mrs. Mary Wooden of Happy Hollow Club enjoyed an outing Friday. They toured the Bunch Hollow and visited Indian graves on a high hill. They crossed a deep ravine that was started when Humphrey

Bunch grandfather of Mrs. Sykes plowed a furrow around a hill with an oxen team. Mr. Bunch was murdered in 1884 not far from this scene. They enjoyed a picnic dinner and also found petrified wood. Then they visited the old rock cave on the Jesse Decker farm.

Mrs. Goldie Decker called on Mr. and Mr. Earl Jones Saturday morning and Mr. and Mrs. Short Barron were Monday callers.

Dear Geneva:

I hope you will please excuse me for not answering you sooner but I seem to keep so busy I neglect my letter writing.

First I want to thank you for the latest information on the Willd. I certainly was glad to get it & I do appreciate it even though it's been slow in writing. Since I wrote you we have been to Trenton & to the Perry Cemetery the one that Mary Willd is buried in, & next to her grave is a rock that we feel like it might have been Elizabeth Willd

Bunch grave. I'm sending
you picture of it. of course
we may be all wrong on
that.

We also went to Antioch
Cemetery near Richmond
where Felix wild is buried
the husband of Mary wild.
we were talking to a
wild Descendant & the
Story goes that when Felix
died they started with
the body to buried him
beside his wife ^{by Trenton} roads
were so bad & the lost
Casket out wagon & in
all decency they turned
around & brought body
back & buried it at
Antioch. The wild Descendant
has the old monument of
Felix at his place.

Have you folks got rain
yet? we have had 5 inches

THE CARROLL RECORD

JESSE GLOVER GIVES UP

Last Thursday night a telegram was received in Carrollton from Bentonville, Ark., to the effect that Jesse Glover, who murdered Humphery Bunch, in this county, in April, 1884, had voluntarily surrendered himself to authorities in Arkansas. On Saturday morning the following special telegram appeared in the Kansas City Times:

THE MURDERER OF HUMPHERY BUNCH, OF CARROLL COUNTY,
ARRESTED--HIS WANDERINGS.

BENTONVILLE, ARK., Dec. 18.--Jesse Glover, who shot and killed Humphery Bunch, a wealthy and influential citizen of Carroll county, Missouri, in the spring of 1884, surrendered to the officers yesterday.

He says that he feels greatly relieved and that he would rather be in the penitentiary than continue the life he has led since he killed Bunch, during which time he claims to have traveled on foot over every one of the western states and worked twelve months of the time on a sheep ranch in Colorado. He also says that he left San Francisco two weeks ago and was shadowed by two detectives from this city to his mother's home in Arkansas. It is said that there was a reward of \$2,000 for his capture by relatives of Bunch and \$500 by the state.

- Also the following from the Globe-Democrat of Friday morning:

CARROLL COUNTY CHAPTER

American Reb Cross

CARROLLTON, MISSOURI

ROGERS, ARK., DEC. 17,-In the spring of 1884, a difficulty occurred in Carroll County, Missouri, between Jesses Glover and Humphery Bunch, two farmers, the exciting cause of which was Bunch's cattle depredating on the fields of Glover. Bad feelings had existed between the parties for years previously, and culminated in this row, in which Glover killed Bunch and made his escape. This morning Glover surrendered himself to Henderson Buck, a Farmer of Benton County, who went to the county seat and called for the sheriff to receive the prisoner. Since the killing Glover has been a fugitive, and it is understood that

officers from Missouri were hot upon his track when he surrendered. Both Glover and Bunch were former citizens of this county, and each of them have relatives living here. Glover will be taken to Carroll County, Missouri, to stand his trial.

The deputy sheriff of the vicinity in which Glover surrendered brought the prisoner to Carrollton last Saturday night and Mr. Glover was immediately locked up in the county jail, where he will await his trial upon the charge of murder in the second degree as per indictment found against him by the grand jury in July, 1884.

Only a few weeks ago the reward of \$1,500.00 for his capture was withdrawn.

ARMILDA BUNCH, daughter of George Bunch and Elizabeth Wilds, was born 1940 in Missouri, probably in Daviess County. She was married to Cornelius Swank Wooden (b 23 Jan 1838, the son of Isaac Wooden and Rebecca Stevenson). They lived in Carroll Co., Missouri, most of their married life, with the exception of a few years in Benton Co., Arkansas; were there for the 1870 at which time George Bunch, Armild's father, age 69, was living with them. Armelda died in 1923; Neal Wooden died 25 Nov 1926; both are buried in the Coloma Cemetery.

Neal was an honest citizen, honored and respected by all who knew him. He was a prosperous farmer and always ready to help those in need. He was born in Indiana and came to Missouri with his parents in a covered wagon when two years old. He called his wife "Old Squaw", and he was called "Big Daddy".

The following is from a Chillicothe newspaper:

"Aged Carroll Countian Dead

Cornelius S. Wooden, pioneer resident of Carroll County, died at the home of his daughter, Mrs. Rebecca E. Shields, at Chillicothe, Thursday morning, November 25, 1926, at 6:15 o'clock following a long illness. Mr. Wooden was 88 years of age at the time of his death. He was born in Indiana, January 23rd 1838, and when but two years of age was brought with his parents to Carroll County where he has lived ever since. When Mr. Wooden's family settled in Morris Twp in this county, there were but two other families living in the township which at that time was only twelve miles square. By a later system of dividing the townships Hill Twp became a portion of Morris Twp where Mr. Wooden had spent the major portion of his life as a Carroll County citizen. Besides his daughter, who was the only child, Mr. Wooden leaves two grandchildren and four great-grandchildren. He was married to Armilda Bunch, daughter of George Bunch and Elizabeth Wild. His wife died in 1923. The body was taken to a Chillicothe funeral home. Last rites were held at the grave in the Coloma Cemetery Friday afternoon." (from "The Wooden Family", p. 135.)

One daughter:

1. Rebecca Ellen "Betty" Wooden, b in Missouri, 1863; m 16 Dec. 1881, to Hiram Shields (b 1852; d 22 June 1929; bur Cameron Cemetery, near Hale, Carroll Co., Mo.) Betty & Hiram were divorced - a rare and scandalous event in those days. Betty was living in Chillicothe at the time of her father's death, 1926. She died and was buried in Texas. When last heard from her children were living in San Antonio, TX. 2 children:
 1. Mansur "Tucker" Shields, b in Dec 1887, prob Carroll Co., Mo. Married Pearl Riley. 5 children:

FED SOUTHERNERS IN CIVIL WAR—

Walked to Missouri River and Began Prosperous Future

THE HAMILTON BUNCH FAMILY . . . MR. AND MRS. BUNCH ARE SEATED IN FRONT. STANDING WITH THEM IS ALVIS (TOASE) BUNCH. BACK ROW, MRS. DEE MINNIS (left), GEORGE BUNCH, MOLLIE WHITNEY AND DICK BUNCH.

The following report of a pioneer family in this area was written by Mrs. Fawnie Minnis Williams, 1100 Park street, Carrollton.

Back in the olden days, a lad of 13 named Hamilton Bunch walked overland following a trail which led south over the ridges from the small town of Breckenridge to the Missouri River. When he reached there his face was bleeding where the slough grass had cut it as he walked through the tall sharp blades. He was tall and strong for a lad of that age and he had a kind intelligent face. He had left his home with his father and his brothers and sisters to find work and make his own living. His mother had died when he was small and left the father with a large family who moved from place to place and did not accumulate much wealth, but was a kind and friendly person.

Hamp went to Hill's landing, a loading dock, on the north bend of the Big Muddy and was owned and operated by a boat captain who hauled cargo, as well as passengers by boat up and down the river.

The captain gave him work and the pay was counted in bits, a bit being 12½ cents. I believe he received two bits a day and his meals, also a place to sleep. The captain was very good to him and he worked for him for some time. That was before the Civil War and the captain owned many slaves. Hamp said he was a very good master.

One of Hamp's jobs was to help the colored cook. He would gather fuel for the fire and help her with the meals, so she would see that he always had a generous helping of food he liked. One day she noticed one of the boys bite from an apple and throw it down. Hamp picked up the apple and ate the rest of it. The colored cook called him to her and said "Don't you ever pick up an apple that has been eaten on again; there are plenty of apples, you ask me when you want an apple." Hamp said that if the colored cook would slack her work or would do something that displeased the captain, he would threaten to sell her. She would beg him not to and would promise to do her work well. Hamp didn't think the captain would have sold her for any price. That was his way of getting her to keep up her work.

I do not know how long Hamp worked for the captain or just where the landing was, but it was somewhere on the north bank of the Missouri River near Waverly.

Hamp was in sympathy with the South during the War Between the States and helped to feed Kirk's soldiers.

As he grew older, he went back to Breckenridge, where he married the girl of his choice, Mary Elizabeth Trosper, she then in her early teens. They moved to northwest Carroll County, carrying on horseback the needed items that they started housekeeping with. There they followed the profession of farming and stock raising and accumulated a large body of land and herds of cattle, sheep, hogs, and horses. The horse market was prosperous and he raised colts, both horse and mule which he sold as work and driving teams at a fancy price.

He and his family drove by wagon to Nettleton to see the first coal-burning locomotive come down the railroad track pulling both freight and passenger cars, which at that time was a great invention as the only other way of conveyance was by horse or oxen-drawn vehicle.

Hamp had little education in book learning, but could guess the weight of a cow brute or could figure in his mind the number of bushels in a load of corn almost as accurately as a scale. He signed his name with an "X" before his youngest daughter taught him to sign his name. He loaned money to his neighbors to buy and improve farms. The money exchanged then was mostly gold coin. Once when a party was borrowing money from him he went to the hiding place and reached a stick of wood which had been hollowed out and the gold coins placed inside. In all appearance it was only a stick of wood, but it contained enough money to buy a small farm.

Hamp and Bet, as she was known to her friends, improved a farm with a house and barn, dug a well, planted an orchard, and made the home as comfortable as possible in those days. One of the useful items was a Home Comfort cookstove which burned wood. They would rise before dawn; Hamp would make a fire in the cookstove and Bet would cook biscuits for breakfast.

They became the parents of 10 children including one set of twins. Six of Hamp and Bet's children lived to be grown. Toby, the oldest daughter, died when a young maiden, and four died as infants. George, Mary Ellen (Molly), Maud, Eliga (Dick), and Alvis (Toase) lived more than threescore years. Maude, who was my mother, was a beautiful and talented woman.

Mrs. Maude Ethel Minnis, 76, widow of the late D. A. Minnis, farm operator and landowner for many years in Livingston and Carroll counties, died at 4 o'clock this morning at 19 Webster street. She had been ill two years.

The body was taken to the Austin Funeral Home. Funeral services will be held at the Liberty Church on a date yet to be decided. Burial will be in Blue Mound cemetery, where Mr. Minnis was buried following his death June 27, 1949.

She lived in Hill township of Carroll County, attended the Wooden school and was a music teacher in her early years. She was married March 5, 1893, at Chillicothe to Mr. Minnis. The couple lived in Carroll County until 1927, when they moved to a farm south of Chillicothe.

Surviving are six daughters, Mrs. Cordie Trussell, Mrs. Opal Baker and Mrs. Bunch Hundley, of Bogard; Mrs. Fawnie Williams, Tina; Mrs. Gwendolyn Johnson, Kansas City, and Mrs. Eugenie Churchill; a son, Dee Minnis jr. Atchison, Kans., and a sister, Mrs. Mollie Whitney, Chillicothe; 20 grandchildren and 11 great grandchildren. She was preceded in death by three children, Clarendon, Exylee and Malcolm; three brothers, George, A. G. and Dick Bunch.

Mrs. Minnis left a request that her friends, instead of sending flowers, make a contribution to some tuberculosis fund.

Blue Mound Cemetery is in Livingston Co. but close to Carroll Co line.

I do not know names of my grand mothers parents but they are buried at Breckenridge, Mo - which is west of Chillicothe 25 mi - I've been to their graves. I've always thought Grandmother grew up near Breckenridge - this Cemetery is the "Prosper Cemetery", not Breckenridge Big Cemetery & is a mile or so from " "

Geneva I'm going to send this on to you - I'm keeping these others & will try & complete them soon & send to you - we were gone a month visiting our children a daughter in Wichita & two sons in Colo. Sprs Colo - so that cut into my time - I feel pretty over

~~don't~~ drum on all this But I'll

Cordie Russell

Next time my sis from Pawellton
comes I'll have her help me with
mother's family - she has our 7 letters.

1. My mother had a sister who died of T.B. in Bentonville, Ark or near there when a young woman, she was engaged to a man here - my grandmother took her to Uncle Garrett Bunches (in or near Bentonville where Josephine Rife ^{Heyland} lives) she is buried there & her name was Toby. she was much older than my mother - Grandmother & Grandfather Bunch had 10 children - as far as I know the others (besides Toby) died in young childhood - one was a twin + "Mally" Mary Ellen was the other twin

Uncle Jose Bunch died in Oregon Oct. 15 - 1951 - He married a woman out there after he & Maggie Lee (Broyles) separated. He is buried at Ashland Oregon.

Hope you can make it out - I'll see
Goldie & my other sisters & see if they
remember any more -

Why or how would he know "Indian
Counting" unless it was handed
down from an older generation. it
may not amount to any thing tho.

On the first 3 words - accent is
on "one" as marked - it all sound kinda
weird & a little "poetical" too. don't
know why I couldn't have thought
of this sooner -

I'll see Dorothy Bunch Sykes
& see if she's heard of it.

Hope you're fine & let me
hear from you once in a while

We are going to Colo. Springs

me "so soon". Ha!

But my sis was here & we got to talking
of our grand father - your uncle Hump
Bunch & how he would teach us as
little kids how to count "like the
Indians" - I'm going to try to write
it out by "sound" as I never knew
how to spell the words - I wondered
if there was any way to find out
if it's a real "Count" or what - maybe
some tribe counted it like this.

1st word one-^{2nd}ery - ^{3rd}ugéry - ⁴eréry - ~~am~~ ^{AN}
Molly-⁵bone - ⁶crack-a-bone - ⁷mul-berry - ⁸wax
Hamm-⁹ - ¹⁰scamur - ¹¹skiptie - ¹²scoppie (scop-pis)
~~hist- up~~ ¹³Holler - ¹⁴doeus - ¹⁵hist- up - twenty

Now I can't remember any more & I
don't believe there is any more to it.

this is kinda drawn out
One-ery One-er-y-others are too.
oog-ery (I spelled this with a u but
eag-ery - believe this oo is more like the
- spelled differently sound

Ann

Molly-bone

Crack-a-bone

Mul-berry-wax

Hamus ~~hamas~~ Ham-^{us}-a like in hay

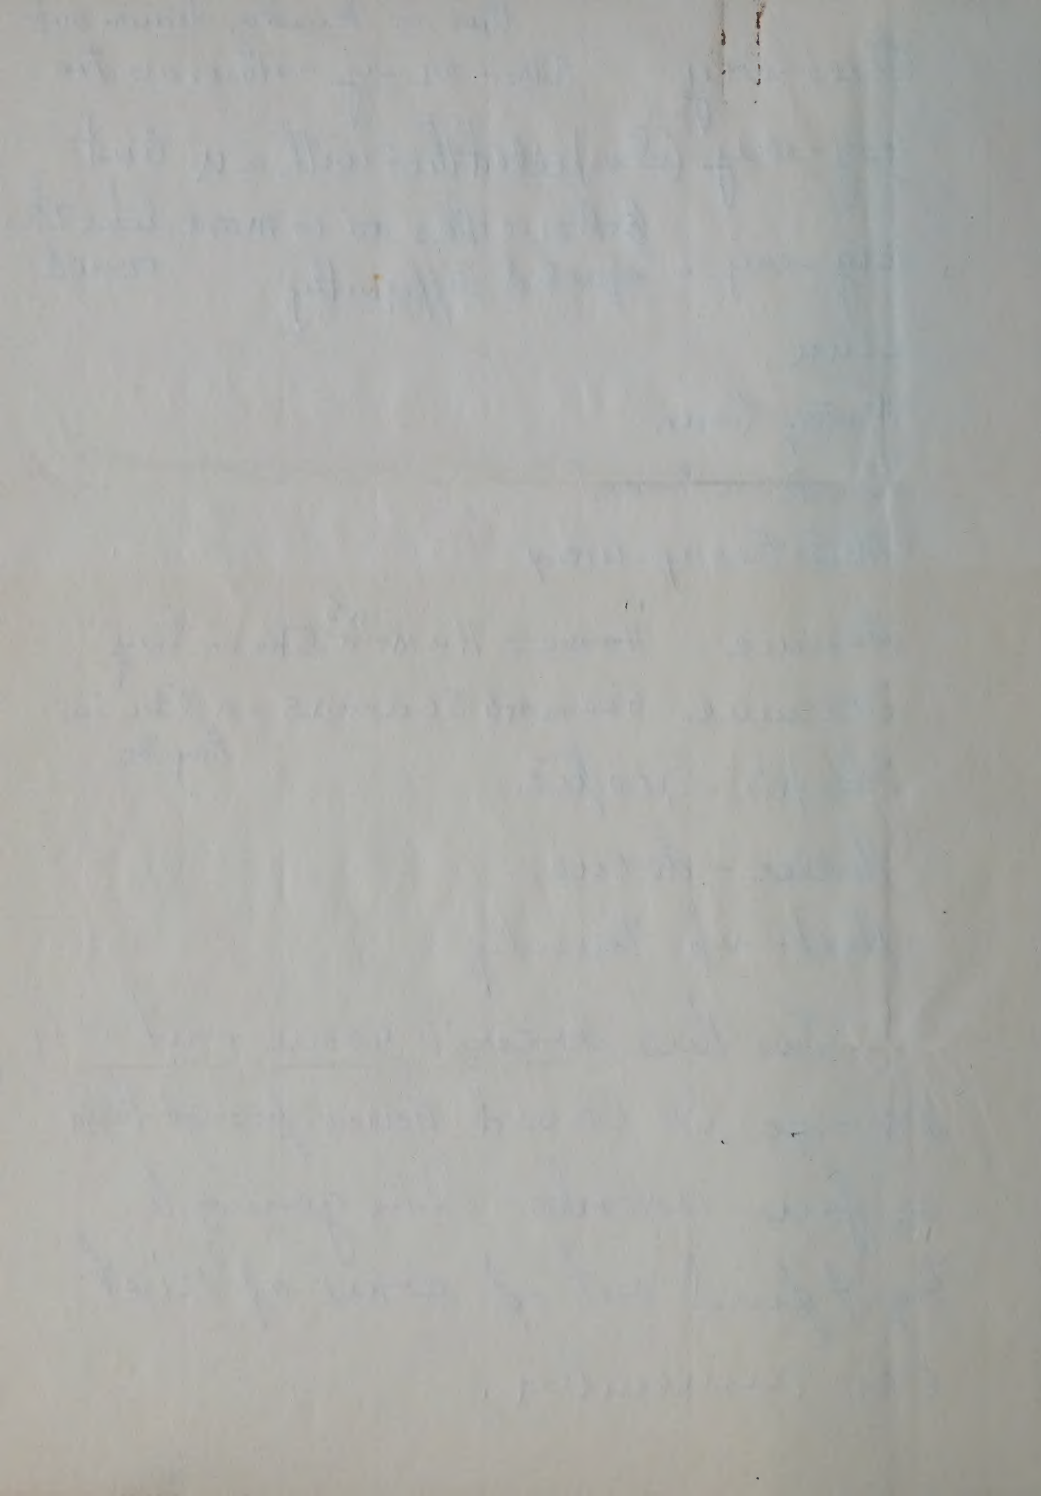

Seamus ~~seamus~~ Sean-^{us}-a like in
hay too

Skripti-Scopus

Holler-docus

Hist-up-twenty -

See this doesn't come out our
20-so I could have forgotten
a few words-I'm going to
try & find out if some of rest
can remember.

BOGARD

By Miss Phoebe Willmore

MISS EXYLEE MINNIS IS DEAD.

Our citizens were shocked and grieved when we learned of the sudden death of Miss Exylee Minnis, death occurring Wednesday, February 10th at 8:30 p. m., at Edgewater, Colo., near Denver, and at the time of her death was aged 25 years, 7 months and 25 days.

Exylee Minnis, daughter of D. A. and Maud ((Bunch) Minnis, was born June 15, 1911, north of Coloma, received her education in the rural schools, attended Tina high school for two years, and was graduated from Chillicothe high school in class of '29 and then attended the Maryville state teachers college and taught Hartis school one term, then her health failed and she spent a few months at Mt. Vernon sanitarium and for the past five years has been in Colorado, where she was thought to be doing fairly good, when she was taken worse Wednesday.

Her mother was notified and she left at once, Exylee passing away several hours before the mother reached Colorado.

The remains were brought to Chillicothe funeral home Saturday and numerous friends gathered to pay tribute to one they loved so dearly.

The deceased was a member of the Liberty church, a North M. E. church south of Chillicothe, where on Sunday at 2 p. m., funeral services were conducted by Rev. Mrs. Olive Fay, pastor of this church, and interment was in the Blue Mound cemetery.

The deceased was a highly esteemed young lady, refined and gracious of manner, possessed of a lovely character, making friends wherever she was and her passing brings sorrow to her many friends and relatives.

She is survived by her parents, Mr. and Mrs. D. A. Minnis, of near Chillicothe, six sisters and two brothers, viz.: Mrs. Jewell B. Trussell and Mrs. William Hundley and Clarendon Minnis, all north of Bogard, Mrs. Leslie Baker, of Tina, Mrs. Handell Williams, and Mrs. Minnis Johnson, both of Dawn, Dee June Minnis and Miss Eugenia Minnis, both of Chillicothe, and was preceded in death by a three year old brother, Malcolm, about 17 years ago.

We extend sympathy to the bereaved family.

Canollton Mo.
Aug 27 1963.

Dear Geneva:

I was looking for some papers yesterday and found your letter which was written in 1962. I had misplaced it and looked through my Christmas cards for it and decided I had burned it with Christmas wrapping since it was about that time but I found it yesterday and am so glad to have the history of the Trospers, Bunches & Wilds. The W.M.B. Trospers listed is the one who married Palmyra Bunch. I have heard Mother speak of him many times and call him uncle Will he and their oldest daughter Callie died with T. B. and

later she (Aunt Sis) as we all
called her who was Grand
Pap Bunches ^{oldest} sister moved
with her son to Oregon
the Son (George Troper) and
they owned a sheep ranch
there. George visited here
some time in the 1930's
you see he and mother were
double Cousins Aunt Sis
lived to be more than
90 years old. you see it
was her Soubow who
that Uncle Ump Bunch
Morothy Sykes' Grandfather
his name was Glover. so
that is why she and George
went to Oregon. ^{because of the family trouble} I think there
was a daughter who went with
them who had some children
but I don't know whether
they were the Glover family or

not I have a letter I
am sending you that I
received from Oliver Bunch
in Colo. maybe you could
get some history from him
I would like to have it back
same time.

I would like to attend the
Bunch picnic same time
but seems I never know
when or where it is

I honestly believe we have
Indian ancestors but I think
it was back quite a ways
George, Samuel, and Jim Bunches
mother perhaps who traveled
with the Cherokee Indians it
sent the Wilds family I am sure.
I have a travel atlas which
has a article about the The
Cherokee Tragedy. it states that
the U.S. ^{army.} government drove the
Cherokee tribe from their home

in the ~~Smoky~~⁴ Smoky Mountains
in Tenn. in 1839 during the
coldest winter months and
one fourth of them perished on
the march. But large numbers
did not obey and hid for years
in the mountains outcrops in
their own land. until finally
there was a Cherokee Reservation
organized and their descendants
still live there. The article
also says their great chief
Sequoyah created a Cherokee
alphabet of 86 characters, and
that De Sota reported that they
lived in log houses and farmed
the soil. as early as his time.
This being 1839 I wondered if
that could have been the year
that George Jim an Stokely
came to St Louis with ~~the~~
their mother and separated there
them coming to ~~Carroll Co.~~^{this country}

This article says that many of the Cherokee could read and write. Well I have written much more than I had thought I knew O yes Uncle Jim ^{Bunch} and his ~~other~~ daughter were buried at his home in the yard up near Stokes mound. Mother and Grandpa always told us that there ~~if you~~ is also something in the Carroll County history about him. I have been intending to get the history from the library and read it but I never have.

If you come to Carrollton same time come and see me. I would love to know more about our folks. And Thanks again for the

the family record you
sent me

your Cousin

Dear Geneva:

I just found in my desk a letter from you written in 1962. and since I have been thinking of you decided I would write today. last spring I was in the recorder's office here in Carrollton and copied from the record the land sale of from Jim Bunch to George Bunch which is on following page I live here in Carrollton and do not work only I still operate my farm which is in Stokes Mound Township

I believe if one Indian
ancestary will be found
it will be with the Cherokee
Indians and perhaps came
here when the U.S. Army
drove them from their home
in the Smoky Mountains
to Oklahoma any how I
would like to claim kin with
the Great Indian Chief

Sagoyah,
My sister Gunk Hundley & I
are planning a trip to Grenola
Kansas. I have a cousin who
lives there. Mrs Will Eastman
and I would like to go on
down to Bartlesville to the
Indian country and I see
by the map that you live
there close. I believe there
is an Indian Museum south
of Bartlesville I would like to
visit

I took my sister Boddie
to see Galdie Bunch a
few weeks ago she didn't
think Galdie felt very well
I must rush if I get
this mailed

Sincerely,
Lennie Williams

In 1866 he joined Methodist Ch., South, at Mandeville, has been a consistent Christian ever since, and has been preaching for 30 yrs or more. He was ordained deacon in 1868 at Maryville, Mo., by Bishop Huntington, and in Sept. 1867 was ordained elder at Memphis, Mo. by Bishop Chandler. He practices at Howard to a cons. of 95 patients and formerly practiced at Mandeville. His wife & children are all members of the same church. The life of Dr. Baird has been one of great usefulness to his community and one which has gained him the respect & love of very many people because of his Christian character and his

WILLIAM C. BAIRD, M.D.

WILLIAM C. BAIRD, M.D., has been for nearly 30 years a practicing physician in Carroll County, and now makes his home in Tina. He is a local minister in the Methodist ~~Church~~ Episcopal Church South, having preached during the past fifteen years. He has always taken a very zealous interest in church affairs, and was ordained a Deacon in 1891, which position he still holds.

The subject is of Scotch descent. His father, James Baird, was a native of Kentucky, and one of the early honored pioneers of Lincoln County, Mo. He married Miss Martha A. Briggs, also of Kentucky, whose father, Benjamin Briggs, was a leading man in that state. The Doctor was born in Lincoln County, this State, July 9, 1838, and was one of five children. In his boyhood he attended the district schools near his birthplace. Upon arriving at mature years he concluded to adopt the medical profession, and in pursuance of that resolve commenced a course of study under Dr. G.P. Herndon. He then took a course of lectures at the St. Louis Medical College, and in 1865 was graduated from Rush Medical College of Chicago. In 1862 Dr. Baird and Miss Janie L. Erickson were married. Mrs. Baird was a daughter of William L. Erickson, of Kentucky. Seven children were born to them, of whom six are living: James H.; William E.; Mattie, wife of William Henderson; Emma L., now Mrs. James L. Cramer; Ethel, wife of Edmund Walker, who is engaged in farming; and Thomas, now attending school. The faithful wife and mother was called to her final abode November 6, 1877. In 1880 the doctor married his present wife, Mrs. Martha J. McCall, daughter of John M. Bradon, of this county.

Dr. Baird is an uncompromising Prohibitionist, and has always been very temperate in all his habits. He is well known throughout this and adjoining counties as a minister of no mean repute, and in the medical profession he ranks high among his brethren. In 1865, soon after his graduation, the Doctor commenced practicing at Mandeville, where he located for a period of about twenty-seven years. He removed to Tina in September, 1892, and has here already acquired a large general practice in both medicine and surgery. He is a member of the Mandeville Lodge No. 363, A.F. & A.M. of which he was Master for thirteen years.

Dear Geneva:

Was so glad to hear from you
so will write some tonight.

We sure have had a wonderful
winter with very little snow & not
too cold. Last year we had some
bad weather in March with so
much snow I hope we don't have
it like that this year.

Our 3 grand-sons have been
sick a lot this winter, maybe
when warm weather gets here
they will be O.K.

I saw Goldie N. on street week
ago had nice visit with her.

I have been making summer
shorts & pajamas for my little grandsons.

As yet I haven't received the
records you mailed the 7th. I thought
they would come today but they didn't.
Hope they come tomorrow. Sure don't
want them to get lost. Thanks so
much for every thing Don't know

how I can ever repay you.

I'll agree with you I don't think that any of us will ever be able to trace the Elyabeth Wilds to get the Impendence. But wouldn't it be wonderful if we could.

On Regard to the Hawley Bunch at Atchison Kans. The only relative I know there would be Dee June Minnie, He is grand-son of Uncle Hamp Bunch. I think you probably met him at Aunt Ida's funeral I saw him at the Cemetery & talked to him few minutes. I will do my best to get his address from one of his sisters & write to him.

I wonder if that Elyabeth Jane Bunch marriage to Noah Hudson could have been one of the George & Elizabeth Wild Bunch child, Wish we could find Records or some one who would know.

About 2 weeks ago Jenn O Roark & I went to Bogard & talked to an old man who will be 103 in April. His name was Andrew Key the

mind was real good & could tell us some He used to work for Uncle Hamp but he didn't know anything about his brother & sisters. He knew some of the older woodens.

We have been to several of the old Cemeteries but are finding more where old woodens are buried. Yes I would appreciate it very much to get what what you have & find on the woodens.

I hope you have good Luck reading your Microfilm with your Hand Reader.

We will watch for Elizabeth Jane Bunch Hudson ^{Grand} at Cemeteries.

I wrote a letter to The Lukens Bros. Garage at Steam Boat Springs Colo. Hoping I might be able to get such information on the Garret Bunch family, years ago when my Dad was alive we visited an elderly lady whose name was Matt Lukens at Steam Boat Springs & she was just Cousin

of my Dad's. I believe she was
daughter of Garret Bunch. A few
years ago Granville & I was there
there & I ~~the~~ noticed a garage
there by name of Lukens Brothers
Garage & I thought perhaps it
was her grandson.

I have written to Hazel Bunch
Russell, uncle ora one girl for
Records on their family.

I also wrote to Uncle Mills
girl in Wash. State for their
Records so I'm hoping they
all will answer.

I have asked about that uncle
"Seg" was & they think he was
a plaster. First time I see
my plaster Griggs I'll ask he

Our son has bought my
Grand-parent Bunch home place
where Julia & Humphrey lived. It
is just across road from where
we live is 165 acres. The folks
are selling it & moving to Georgia
It's a big undertaking for a 18
yr old boy but we hope to help
him some.

Yes I know the Dayton Long.

I his wife & some of their children.
Dayton is dead but his wife
is living. I very seldom see
her but I'll talk to her for you
& tell you would like to hear from
them on their family Records.

I see in your Records you have
a Lourda Bunch child of Jim Bunch.
I wonder if that is Lucinda & Lourda
are the same. The Lucinda Bunch
has a son or grand-son at Waverly who
is ^{part} 80 we want to see him once & will
try & go get his family records. They
were descendants of Jim Bunch he
told me.

We went to see Daisy Bunch
about 2 months ago & she told us
where the Jim Bunch is buried
so I know the Location of she is
right.

Our boys best friend Dad
help build Highway 65 & he
said they run across graves
when they built it. It is at edge

of road inside the fence.
I'm sending you records on
my half sister one girl & family
just got records from her this
week. They live at Midwest City
Okla.

Well its bed time so I will
close & I thank again for
everything.

Dear Geneva:

Well we have been on the
(prowl) lately. Today we went
to Trenton & went to 3 of the
Grave Cemeterys. Had some trouble
finding them but did get to them.
Two of them are grown up in weeds
brush & trees.

The first one we went to was
only 4 monuments we could read
rest were just rocks for monuments
its on a small hill & about $\frac{1}{4}$ mile
off road on west side of road & then
about $\frac{1}{4}$ mile north west of Cemetery
set an old house had been there
for years. Some how I had a feeling
that could have been the place
Uncle Hamp (I have heard) said
he was a small boy when his
mother died & they walked across
field to Cemetery & they carried
the casket. & family followed on
foot. The names of the ones we

Could read were

Sarah Peery

Died Feb 13-1849 age 87 yrs

1849

1762

Ruben Macy

Died July 22-1849 age 47 yrs

These are on one Monument

John Gibson

Born 1799- Died Sept 1858

Cynthia Gibson

Born Feb 25-1800

Died Mar. 1873

The second Cemetery was the one you sent us the map.

It is a bigger Cemetery & lots of graves not marked only with Poems. One was buried in 1882 more another 1872, 1892, 1824-1896 & 1870.

There was a Thomas Hudson Buried there Died Sept 16-1872 ^{56 yrs old} his wife

Sidney T. died Dec 19-1892. 77 yrs. I don't know if you might have any records on him.

The Third Cemetery was on Highway 6- About 1/4 mile off road it was better kept than other two. Most were Peerys, Gentry, Whittens

Chappel ^{Buried} in it.

We also stopped to see Mr Crandall but he was busy. Had one funeral today + 3 death calls this morning so we didn't bother him. Would like to had chance to talk him few minutes.

We checked the marriage ^{records} Records no Bunch at all. Found several Wild

1864

James Steward " Mary J. Wild Jan 1 - 1857

married at Philip Wild home

We went to Waverly one day last week + went to see Charlie Lane, Im sending what he told us. Either he is confused or me he told us Jim Bunch was his

Mother's (Lourda Bunch) & aches
that I could agree But he also
said that Eley abeen wild was
his grand mother.

I understood that Eley abeen wild
was George Bunch wife so she would
be his Aunt, of course I didn't let
on to him. He is 89. & has an alert
mind. I thought I could be wrong.
The only one of Charlie Lane's children
address I know is Mrs Ernest.

Applebury Waverly Mo. Her
husband runs a garage there.

Yesterday we went to see
Cordie Trussel, she had an
appointment with Beauty Parker
so just got to talk to her ^{for a few minutes} & tell
her you would like for me
to get her records & mail them
to you But she said she didn't
have them quite complete but
would try & get them finished
& she would mail them to you.

We stopped at Nadine Trussel
& she gave us all she knew of
her family & what she couldn't
give me she was going to write
& ground it out & give me so

I'll have rest & ur gr you soon
as she gets rest.

We also went to Tuna to
see Gladys Sperry Collins to
get records on her family &
Sperrys but she wasn't home.

Wish you could have been
with us to go to Cemetery Beline
you would enjoyed it. If any
time you folks come back be
sure & come see us & we will
go to Cemetery & etc. Wouldn't want
to go to the Perry Cemetery in
Snake time for it would be a
snake Harbor in all 3 of them.
Arnold Dale would be glad to show
you the Farm he bought.

No, I don't have any Record
on Moudie Bunch married. You
sent me on Molly Family.

I'll let you know later about the
books if I want either or both of the
Books when you find out price
you can let me know please.

Sorry to hear of your Aunt Maggie
Hudson Fullwater death

After Uncle Hamp got old my
Dad took care of her business.
In those years we had Model T. Ford
& my Dad was tax collector & had to
make trip to Carrollton & he would
wear out a car a year. I didn't know
Uncle Hamp could figure in his
head guess that's where my
Dad & Uncle Nell got that, they
were good figuring in their head.

You were fortunate that your
mother saved Clipping. My mother
also kept a Scrap Book with old
clippings I have it & am sure
proud of it. I also keep a Scrap
Book of Burtus deaths & marriages.

I'll sure ask Arnold Dale's boy
friends Dad if he can show us
the exact spot of your great grand
Dad Jim Bunch burial if he can
will try & get picture of it.

Thanks so much for sending
the 1860 Census I knew almost
all you sent on the wooden, I mean
who they belong to. I'm Isaac &
Rebecca wooden was my great grandparents

most of rest were my Grandmother
Brothers & Family.

Thanks a lot for the information
on getting the Family History Records
for our neighbor. He is very
Appreciate for your help.

The year was 1871 on Death of
Elizabeth Rockwell. Glad you
asked.

There is one man that is old
around Blue Mound who might
know who that Lenora Bunch
might have been. I tried to call
him on phone but wasn't able
to get him. Will still try though.
I just ^{the morning} called & talked to the Daughter-in-
Law & when he comes in he will
call me. (He has called as yet)

Am going to write to Mr Crandall
& ask & suggest if he has ever
checked who owned land around
those Sperry Cemeteries & by checking
Abstract for years back he might
find out where the George Bunch
lived. We have checked & found

Land where George Beena
owned in Carroll County

I went to see Mrs Clark at
Carrollton this afternoon. She
said that Mr Crandall had
checked the abstract & found
Buna lived in or around where
the Second Cemetery we went to
is located.

I talked with Mrs Clark for
over an hour & she showed me
what she had to mail you &
I suggest she mail it on & she
said she would. I never let on
what you said. She said she
had been so busy & hadn't
been very well her back
hurt her all time so I hope
she will send it. She told me
to come back & read the obituary
on the old Records so I told her
we would sure liked to do
that. would like to go right away
for it is like you say a person
will be too busy to work on
Family History when it warms up
& a person can work out side.

Dear Geneva,

Sorry to be so slow in writing. Been intending to write every Friday & haven't.

I guess you are busy now as the Spring & Summer work comes along. I know I am.

I worked in my garden today. Still have more to do yet in it.

Our Spring has been so late this year. Has been cold & rainy.

About a week ago Jerry & I & another couple went to Lexington & Richmond to visit Wanda's relatives & we also checked records at Richmond & Lexington for Bunch's grave. Some, I'll send names but none we knew who they belong to.

Oh yes we were at Cordie Bunch's house one afternoon. Had nice visit with her. She is waiting on Jew & her family to send their records to her & she will send it to you. She has the family picture of Uncle Hamp, his wife & children & I ask her if she had one a negative made of it & I would pay my part & get a picture for you & me. She seem to think her sisters would want some too. I am having a negative made of picture of I have of Aunt Sis. Prosper will send you one then. Cordie loaned me picture of Uncle Sam & his

Wife to get negative ^{3rd} one
off it. I'll send you one of them
I loaned the only picture
of Grandpa Bunch to my Cousin
in Mont. almost 2 years ago
I wrote her & ask for it
back. She was wanting a negative
off it. So I'm hoping she will
return it to me.

Cordie is planning on going
to visit her brother Ed June
at Atchinson Kans in another
week & she said she would
check records & Cemetery while
she was there for H. Pray Bunch.

I think Goldie is having
negative made of Aunt Mildred
so maybe we can get one from
her. We have good luck it would
be several pictures of the Bunches

Oh yes here is what I heard
Jim Hamp Hogan told that George
Bunch & wife lived in Kentucky. His wife
got sick & and ^{family} Indian girl came to help
with work & children his wife died & later
he married the Indian girl who would be
Elizabeth Wilds. Then I heard that
Uncle Hamp said that was not correct.
Jim Hamp is a son of Polymra Bunch
by previous marriage. (7)

When Cordie sends you the
family will you send it to me
Please ^{records} there is no hurry for now
you are busy. Fund \$1.00 for more
paper to copy as off on. Thanks
so much for everything. I'm
sleepy so I will close
With Love to Ruthy.

I was really glad to get pictures of Uncle Ora & Aunt Edna & also of Aunt Mauda & Uncle Neal & Family. You sent me so many before & I really appreciate it all.

I am sending you what I have now.

I was talking to a great-daughter in law of Mafda & Bud Rocknoll & she told me she had lot of old pictures belonging to Bud & Mafda, seemed no one wanted them so she kept them. First time I can get chance to go to her home I'll try & find out if she has a picture of Mary Bunch Rocknoll if she does I'll borrow picture & have negative made & send you picture. I don't want open to say for it you have been out a lot of expense already on pictures. There is Sarah & Sally Bunch Sperry too I wonder if I might find picture of her.

I'm returning negative of Uncle Hamp's Family. I thank a lot for use of it. I had picture made for my self & one of his great granddaughters wanted one. I wrote Cordie & told

her I had the negative you
had loaned to me but never
heard from her. Some
I might want to borrow some
negatives later if I do I'll
ask Thanks.

My 3 year old Grandson is

Dear General:

Was glad to hear from you
& to get the information on
Bill Minnis Family.

Today Jim & I went to Iowa
to visit Rosie Rockwell Collins
she had picture of her grandparents
Mary Bunch Rockwell & husband
she said she didn't want the
pictures so I have them &
will get negative made off
of Mary Bunch & Mary's
I haven't got in touch with
Sarah Bunch Sperry descendants
yet but will try to before long
I see my I can find picture
of her.

we have now, Hamp, Hump,
Garret, (Sis Polymra), Mildred &
soon many pictures.

We also went to see Cordie
today, she said she had seen
Hamp, Ennis & etc. & her grand-
children. I was going to get
Ennis & mail to you. How
do you like the Indian
Countrying?

Last winter I wrote to
Lupens Brother Garage at
Steam Boat Spring & never
did get an answer till last
week I received a letter from
Grace Bauer, she is sister
to the Lupens bro. they gave
her letter I wrote them &
ask her to answer up when

100ex

She was visiting them this summer. She isent 7 or 8 of Garret's Children who they married & names of their children.

She also wrote that Garret was born in Barboursville Kentucky but grew up in Daves Co Mo. I married Mary C. Wilson in 1854 moved to Benton Co Ark in 1866. That's first time I had ever heard of Barboursville Kentucky mention in our family history. Would that be a lead for checking.

So sorry to hear of your hand injury, sure hope it is much better. What caused it?

Yes I would be glad to get the 1870 Census but don't bother till your hand is completely well.

Thanks for the Cucumbers. Trying receipt I'll sure try it. One Hale but we week ago sure damaged our Beans, Corn & Garden. we hope to get $1\frac{1}{2}$ yield of Beans & Corn.

I always thought my Dad was tipsy & also my mother. A person can't understand why some half to go so early in life although they both had poor health. I was just beginning my Junior year in High School when my ^{mother} passed away & my Dad passed away 4 years later.

I bet you guess do miss not
having a family.

It seems like our family
grew up fast. Carolyn is 24 &
and Arnold Dale will soon be 19.
we enjoy our grand-children.
They are just like our own
children. The oldest one has been
with us a lot.

I feel sorry for Helen
only didn't have any children
she gets so lonely since he
was killed. She is so alone.

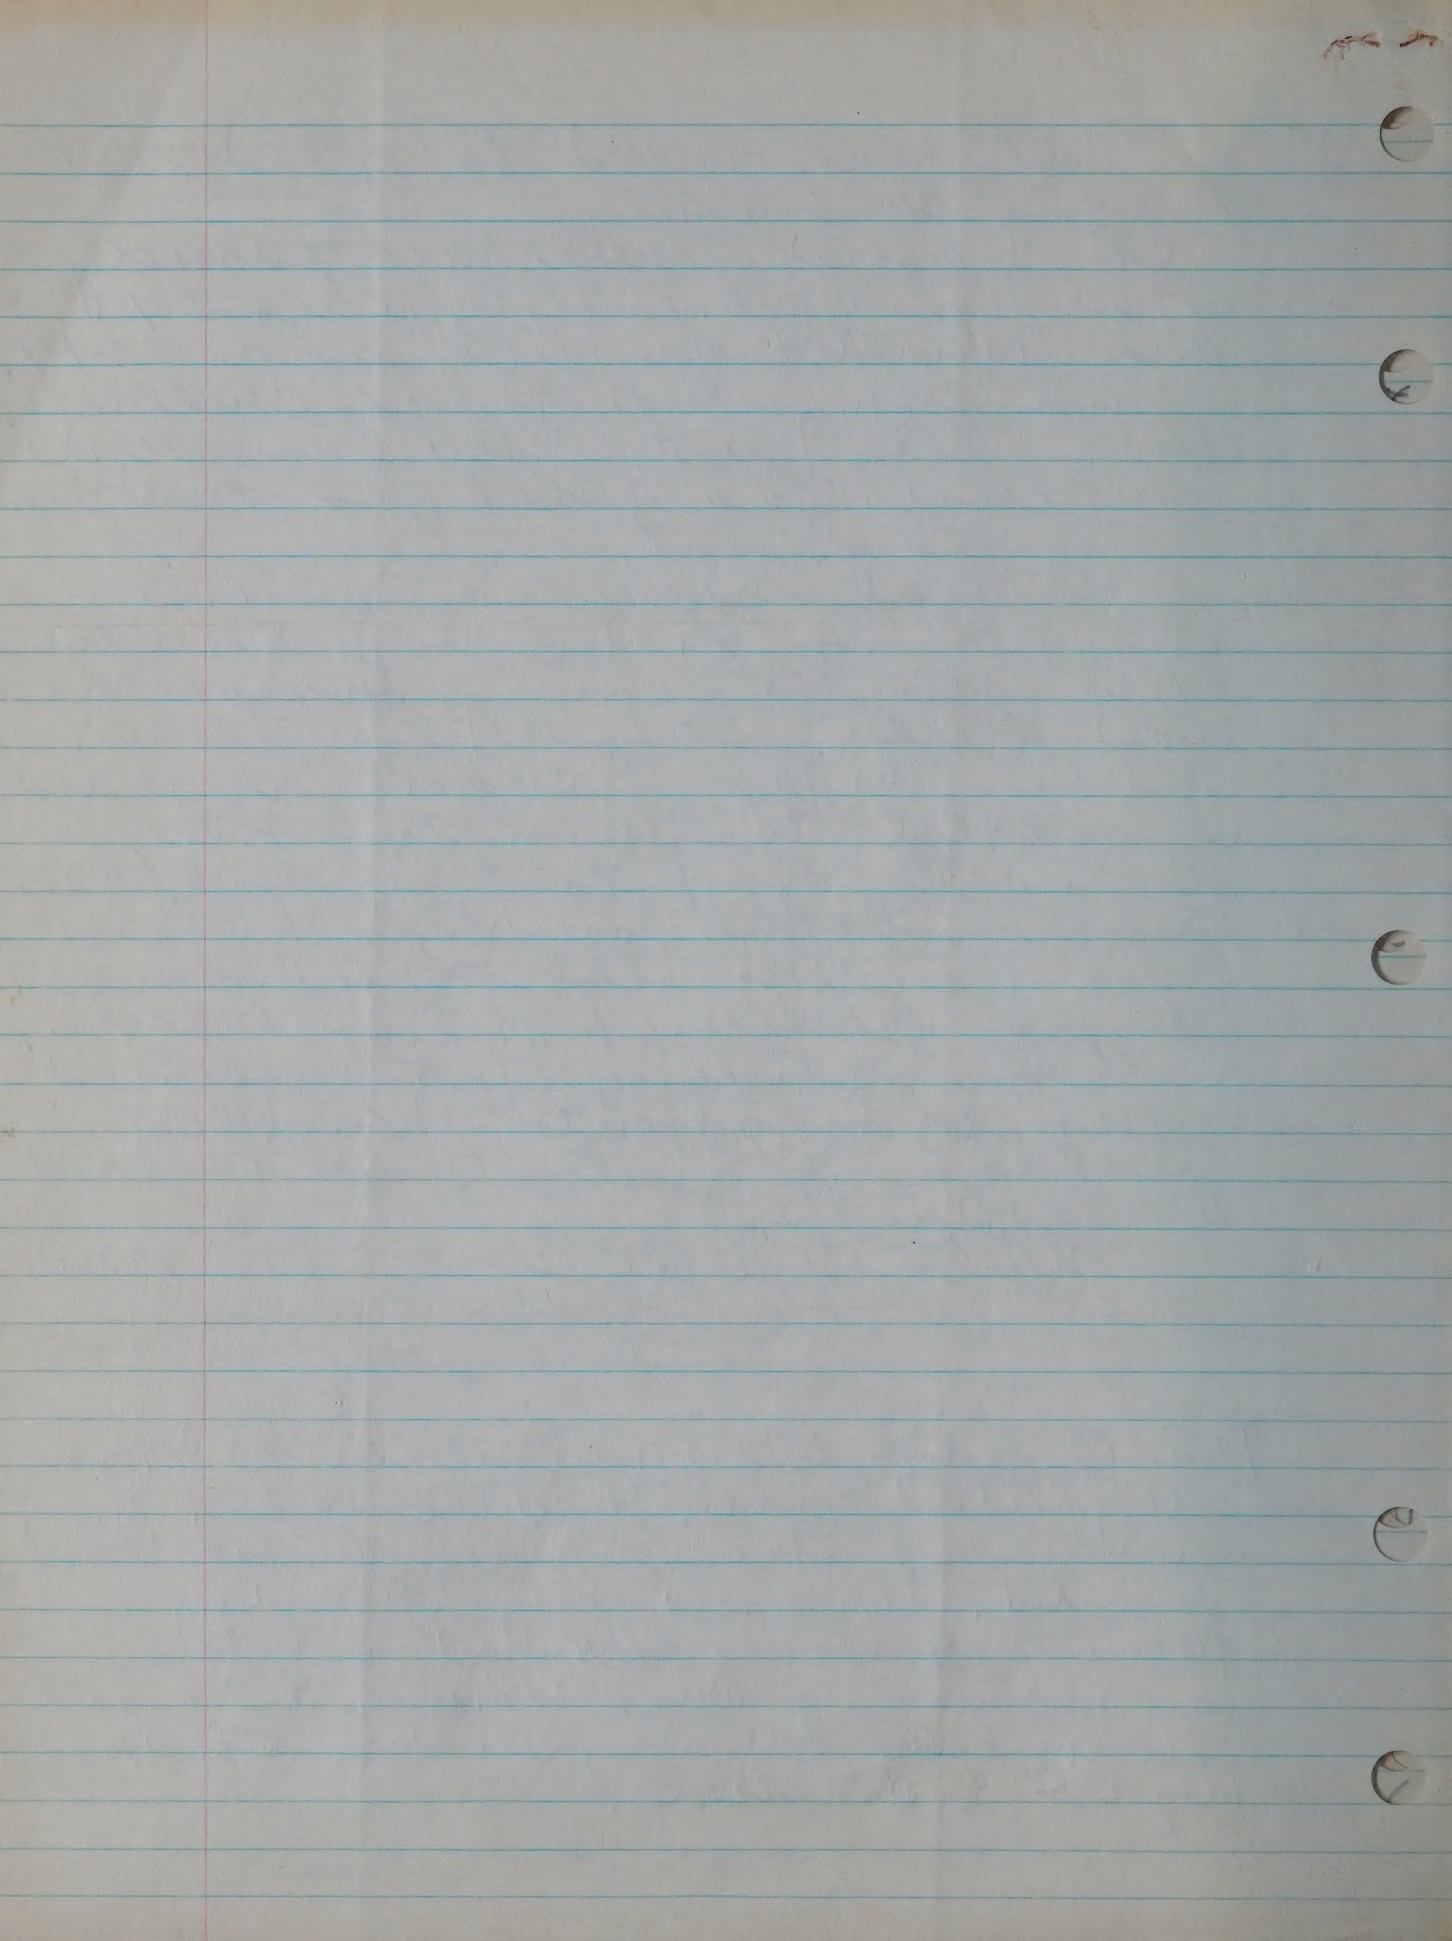

She taught school for years.
I started to school to her.
Granville went to her, and she
taught both our kids & our
case is like lot others she
taught children & their children.

On sending you pictures
of my grandparents Humphrey
Bunch & Julia Ann & Lant
Wooden Bunch.

Well I will close for now.

With Love
Dorothy.

P.S. I have 2 more pictures having
negatives made & will send you

finished. One is my grandma
Bunch & her 4 boys & other

from Cumberland Co. Okla.

His Grand-Dad was Fred Bunch ^{Wife was} & ^{Elizabeth}
his Dad was Fritz Bunch

Fritz was born in 1883. & Roy E Bunch
was raised at Flat River Mo. He
didn't seem to think he was a relative
Fritz had 2 brothers & 1 Sister, Forrest & Florence

We also went to Undertaker at
Bentonville to enquire about Bunch

both of us.

Mrs Payne had to put her mother
Laura Collier in Nursing Home. Her
mind is very alert but is blind &
deaf & is helpless. Said her mother
was contented in the Nursing Home

Sept 25, 1984

Mrs Mary Hunnely,

I recieved your letter that Mrs Geneva King had died. I feel like I have lost a dear friend, although I did not meet Geneva.

She mentioned her manuscript on the Ribble family, I do not think it was finished but I would like to have a copy.

We are not related to the Bunch family that I know of.

Geneva's great grandfather was John T. Ribble and their daughter ^(Eliza) was Geneva's grandmother.

If you do come across material on - John - George - Anthony - Moses - Edmond - manuscript - I would like to have copies.

Thanks so much for taking time to write to me on Geneva's death.

Sincerely,

Mrs Genevieve Ribble
